paper premises

[1] Aldo kissed Nina.

genre: paper:upward_monotone:lexical_knowledge | pairs: 1 | mode: default

`cards: Aldo NP | kissed (S\NP)/NP | Nina NP`

polarity: Aldo= kissed↑ Nina=

flags: -

pairID 5037 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: Aldo touched Nina.

TEST RESULT:

NOTE: kissed ≤ touched

[2] Aldo touched Nina.

genre: paper:upward_monotone:lexical_knowledge | pairs: 1 | mode: default

`cards: Aldo NP | touched (S\NP)/NP | Nina NP`

polarity: Aldo= touched↑ Nina=

flags: -

pairID 5038 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: Aldo kissed Nina.

TEST RESULT:

NOTE: kissed ≤ touched

[3] Every man danced.

genre: paper:upward_monotone:conjunction | pairs: 2 | mode: default

`cards: Every NP/N | man N | danced S\NP`

polarity: Every↑ man↓ danced↑

flags: -

pairID 5017 | gold: neutral | genre: paper:upward_monotone:conjunction

H: Every man sang and danced.

TEST RESULT:

NOTE: sang and danced ≤ danced

pairID 5021 | gold: entailment | genre: paper:upward_monotone:disjunction

H: Every man sang or danced.

TEST RESULT:

NOTE: danced ≤ sang or danced

[4] Every man ran.

genre: paper:upward_monotone | pairs: 1 | mode: default

`cards: Every NP/N | man N | ran S\NP`

polarity: Every↑ man↓ ran↑

flags: -

pairID 4991 | gold: neutral | genre: paper:upward_monotone

H: Every man ran quickly.

TEST RESULT:

NOTE: ran quickly ≤ ran as VP

[5] Every man sang.

genre: paper:upward_monotone:conjunction | pairs: 2 | mode: default

`cards: Every NP/N | man N | sang S\NP`

polarity: Every↑ man↓ sang↑

flags: -

pairID 5016 | gold: neutral | genre: paper:upward_monotone:conjunction

H: Every man sang and danced.

TEST RESULT:

NOTE: sang and danced ≤ sang

pairID 5020 | gold: entailment | genre: paper:upward_monotone:disjunction

H: Every man sang or danced.

TEST RESULT:

NOTE: sang ≤ sang or danced

[6] No man ran.

genre: paper:downward_monotone | pairs: 1 | mode: default

`cards: No NP/N | man N | ran S\NP`

polarity: No↑ man↓ ran↓

flags: -

pairID 4995 | gold: entailment | genre: paper:downward_monotone

H: No man ran quickly.

TEST RESULT:

NOTE: ran quickly ≤ ran as VP

[7] Nobody danced.

genre: paper:downward_monotone:lexical_knowledge | pairs: 1 | mode: default

`cards: No NP/N | one N | danced S\NP`

polarity: No↑ one↓ danced↓

flags: -

pairID 5076 | gold: neutral | genre: paper:downward_monotone:lexical_knowledge

H: Nobody moved.

TEST RESULT:

NOTE: danced ≤ moved

[8] Nobody moved.

genre: paper:downward_monotone:lexical_knowledge | pairs: 1 | mode: default

`cards: No NP/N | one N | moved S\NP`

polarity: No↑ one↓ moved↓

flags: -

pairID 5075 | gold: entailment | genre: paper:downward_monotone:lexical_knowledge

H: Nobody danced.

TEST RESULT:

NOTE: danced ≤ moved

[9] She kissed him.

genre: paper:upward_monotone:lexical_knowledge | pairs: 1 | mode: default

`cards: She NP | kissed (S\NP)/NP | him NP`

polarity: She= kissed↑ him=

flags: -

pairID 5031 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: She touched him.

TEST RESULT:

NOTE: kissed ≤ touched

[10] She touched him.

genre: paper:upward_monotone:lexical_knowledge | pairs: 1 | mode: default

`cards: She NP | touched (S\NP)/NP | him NP`

polarity: She= touched↑ him=

flags: -

pairID 5032 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: She kissed him.

TEST RESULT:

NOTE: kissed ≤ touched

[11] Some boy walked.

genre: paper:upward_monotone | pairs: 1 | mode: default

`cards: Some NP/N | boy N | walked S\NP`

polarity: Some↑ boy↑ walked↑

flags: -

pairID 5360 | gold: neutral | genre: paper:upward_monotone

H: Some boy, the brother of whom Mary loves, walked.

TEST RESULT:

NOTE: 'the brother of whom Mary loves' ≤ boy

[12] Some man ran.

genre: paper:upward_monotone | pairs: 1 | mode: default

`cards: Some NP/N | man N | ran S\NP`

polarity: Some↑ man↑ ran↑

flags: -

pairID 4993 | gold: neutral | genre: paper:upward_monotone

H: Some man ran quickly.

TEST RESULT:

NOTE: ran quickly ≤ ran as VP

[13] A bulldog attacked Nina.

genre: paper:upward_monotone:lexical_knowledge | pairs: 1 | mode: default

`cards: A NP/N | bulldog N | attacked (S\NP)/NP | Nina NP`

polarity: A↑ bulldog↑ attacked↑ Nina=

flags: GENERIC-A?

pairID 5039 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: A dog attacked Nina.

TEST RESULT:

NOTE: bulldog ≤ dog

[14] A dog attacked Nina.

genre: paper:upward_monotone:lexical_knowledge | pairs: 1 | mode: default

`cards: A NP/N | dog N | attacked (S\NP)/NP | Nina NP`

polarity: A↑ dog↑ attacked↑ Nina=

flags: GENERIC-A?

pairID 5040 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: A bulldog attacked Nina.

TEST RESULT:

NOTE: bulldog ≤ dog

[15] All dots are red.

genre: paper:upward_monotone:lexical_knowledge | pairs: 1 | mode: switch

`cards: All NP/N | dots N | are (S\NP)/(S[adj]\NP) | red S[adj]\NP`

polarity: All↑ dots↓ are↑ red↑

flags: -

pairID 5090 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: All dots are scarlet.

TEST RESULT:

NOTE: scarlet ≤ red

[16] All dots are scarlet.

genre: paper:upward_monotone:lexical_knowledge | pairs: 1 | mode: switch

`cards: All NP/N | dots N | are (S\NP)/(S[adj]\NP) | scarlet S[adj]\NP`

polarity: All↑ dots↓ are↑ scarlet↑

flags: -

pairID 5089 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: All dots are red.

TEST RESULT: ✓

NOTE: scarlet ≤ red

[17] All elephants are blue.

genre: paper:upward_monotone | pairs: 1 | mode: switch

`cards: All NP/N | elephants N | are (S\NP)/(S[adj]\NP) | blue S[adj]\NP`

polarity: All↑ elephants↓ are↑ blue↑

flags: -

pairID 5132 | gold: neutral | genre: paper:upward_monotone

H: All elephants are navy blue.

TEST RESULT: ✓

NOTE: navy blue ≤ blue

[18] All elephants are pink.

genre: paper:downward_monotone:lexical_knowledge | pairs: 1 | mode: switch

`cards: All NP/N | elephants N | are (S\NP)/(S[adj]\NP) | pink S[adj]\NP`

polarity: All↑ elephants↓ are↑ pink↑

flags: -

pairID 5120 | gold: neutral | genre: paper:downward_monotone:lexical_knowledge

H: All pachyderms are pink.

TEST RESULT: ✓

NOTE: elephants ≤ pachyderms

[19] All hegelians are mortal.

genre: paper:downward_monotone:lexical_knowledge | pairs: 1 | mode: switch

`cards: All NP/N | hegelians N | are (S\NP)/(S[adj]\NP) | mortal S[adj]\NP`

polarity: All↑ hegelians↓ are↑ mortal↑

flags: -

pairID 5080 | gold: neutral | genre: paper:downward_monotone:lexical_knowledge

H: All philosophers are mortal.

TEST RESULT:

NOTE: hepelians ≤ philosophers

[20] All pachyderms are blue.

genre: paper:upward_monotone | pairs: 1 | mode: switch

`cards: All NP/N | pachyderms N | are (S\NP)/(S[adj]\NP) | blue S[adj]\NP`

polarity: All↑ pachyderms↓ are↑ blue↑

flags: -

pairID 5114 | gold: neutral | genre: paper:upward_monotone

H: All pachyderms are navy blue.

TEST RESULT:

NOTE: navy blue ≤ blue

[21] All pachyderms are pink.

genre: paper:downward_monotone:lexical_knowledge | pairs: 1 | mode: switch

`cards: All NP/N | pachyderms N | are (S\NP)/(S[adj]\NP) | pink S[adj]\NP`

polarity: All↑ pachyderms↓ are↑ pink↑

flags: -

pairID 5119 | gold: entailment | genre: paper:downward_monotone:lexical_knowledge

H: All elephants are pink.

TEST RESULT:

NOTE: elephants ≤ pachyderms

[22] All philosophers are mortal.

genre: paper:downward_monotone:lexical_knowledge | pairs: 1 | mode: switch

`cards: All NP/N | philosophers N | are (S\NP)/(S[adj]\NP) | mortal S[adj]\NP`

polarity: All↑ philosophers↓ are↑ mortal↑

flags: -

pairID 5079 | gold: entailment | genre: paper:downward_monotone:lexical_knowledge

H: All hegelians are mortal.

TEST RESULT:

NOTE: hegelians ≤ philosophers

[23] At least one man danced.

genre: paper:upward_monotone:conjunction | pairs: 2 | mode: switch

`cards: at least (NP/N)/NUM | one NUM | man N | danced S\NP`

polarity: at least↑ one↓ man↑ danced↑

flags: -

polarity: at most↑ three↑ pachyderms↓ are↓ pink↓

flags: -

pairID 5129 | gold: entailment | genre: paper:downward_monotone:lexical_knowledge

H: At most three elephants are pink.

TEST RESULT:

NOTE: elephant ≤ pachyderm

[62] Every alien ate some meat.

genre: paper:upward_monotone:lexical_knowledge | pairs: 2 | mode: default

`cards: Every NP/N | alien N | ate (S\NP)/NP | some NP/N | meat N`

polarity: Every↑ alien↓ ate↑ some↑ meat↑

flags: -

pairID 4607 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: Every alien ate some pork.

TEST RESULT:

NOTE: pork ≤ meat

pairID 4926 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: Every alien ate pork.

TEST RESULT:

NOTE: pork ≤ some pork ≤ some meat

[63] Every alien ate some pork.

genre: paper:upward_monotone:lexical_knowledge | pairs: 2 | mode: default

`cards: Every NP/N | alien N | ate (S\NP)/NP | some NP/N | pork N`

polarity: Every↑ alien↓ ate↑ some↑ pork↑

flags: -

pairID 4611 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: Every alien ate some meat.

TEST RESULT:

NOTE: pork ≤ meat

pairID 4928 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: Every alien ate meat.

TEST RESULT:

NOTE: some pork ≤ meat

[64] Every alien bought some clothes.

genre: paper:upward_monotone:lexical_knowledge | pairs: 2 | mode: default

`cards: Every NP/N | alien N | bought (S\NP)/NP | some NP/N | clothes N`

polarity: Every↑ alien↓ bought↑ some↑ clothes↑

flags: -

pairID 4465 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: Every alien bought shirts.

TEST RESULT:

NOTE: shirts ≤ some clothes

pairID 4769 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: Every alien bought some shirts.

TEST RESULT:

NOTE: shirts ≤ clothes

[65] Every alien bought some shirts.

genre: paper:upward_monotone:lexical_knowledge | pairs: 2 | mode: default

`cards: Every NP/N | alien N | bought (S\NP)/NP | some NP/N | shirts N`

polarity: Every↑ alien↓ bought↑ some↑ shirts↑

flags: -

pairID 4469 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: Every alien bought clothes.

TEST RESULT:

NOTE: some shirts ≤ clothes

pairID 4773 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: Every alien bought some clothes.

TEST RESULT:

NOTE: some shirts ≤ some clothes

[66] Every alien drank some coke.

genre: paper:upward_monotone:lexical_knowledge | pairs: 2 | mode: switch

`cards: Every NP/N | alien N | drank (S\NP)/NP | some NP/N | coke N`

polarity: Every↑ alien↓ drank↑ some↑ coke↑

flags: -

pairID 4307 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: Every alien drank soda.

TEST RESULT: _____

NOTE: some coke ≤ soda

pairID 4691 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: Every alien drank some soda.

TEST RESULT: _____

NOTE: coke ≤ soda

[67] Every alien drank some soda.

genre: paper:upward_monotone:lexical_knowledge | pairs: 2 | mode: switch

`cards: Every NP/N | alien N | drank (S\NP)/NP | some NP/N | soda N`

polarity: Every↑ alien↓ drank↑ some↑ soda↑

flags: -

pairID 4303 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: Every alien drank coke.

TEST RESULT: _____

NOTE: coke ≤ some soda

pairID 4687 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: Every alien drank some coke.

TEST RESULT: _____

NOTE: coke ≤ soda

[68] Every alien drove some cars.

genre: paper:upward_monotone:lexical_knowledge | pairs: 1 | mode: switch

`cards: Every NP/N | alien N | drove (S\NP)/NP | some NP/N | cars N`

polarity: Every↑ alien↓ drove↑ some↑ cars↑

flags: -

pairID 4610 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: Every alien drove some suvs.

TEST RESULT: _____

NOTE: suvs ≤ cars

[69] Every alien drove some suvs.

genre: paper:upward_monotone:lexical_knowledge | pairs: 1 | mode: switch

`cards: Every NP/N | alien N | drove (S\NP)/NP | some NP/N | suvs N`

polarity: Every↑ alien↓ drove↑ some↑ suvs↑

flags: -

pairID 4614 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: Every alien drove some cars.

TEST RESULT: _____

NOTE: suvs ≤ cars

[70] Every alien read some books.

genre: paper:upward_monotone:lexical_knowledge | pairs: 2 | mode: switch

`cards: Every NP/N | alien N | read (S\NP)/NP | some NP/N | books N`

polarity: Every↑ alien↓ read↑ some↑ books↑

flags: -

pairID 4304 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: Every alien read sci-fi novels.

TEST RESULT: _____

NOTE: sci-fi novels ≤ some books

pairID 4688 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: Every alien read some sci-fi novels.

TEST RESULT: _____

NOTE: sci-fi novels ≤ books

[71] Every alien read some magazines.

genre: paper:upward_monotone | pairs: 2 | mode: switch

`cards: Every NP/N | alien N | read (S\NP)/NP | some NP/N | magazines N`

polarity: Every↑ alien↓ read↑ some↑ magazines↑

flags: -

pairID 4463 | gold: neutral | genre: paper:upward_monotone

H: Every alien read news magazines.

TEST RESULT:

NOTE: news magazines ≤ some magazines

pairID 4767 | gold: neutral | genre: paper:upward_monotone

H: Every alien read some news magazines.

TEST RESULT:

NOTE: news magazines ≤ magazines

[72] Every alien saw some birds.

genre: paper:upward_monotone:lexical_knowledge | pairs: 2 | mode: default

`cards: Every NP/N | alien N | saw (S\NP)/NP | some NP/N | birds N`

polarity: Every↑ alien↓ saw↑ some↑ birds↑

flags: -

pairID 4609 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: Every alien saw some doves.

TEST RESULT:

NOTE: doves ≤ birds

pairID 4934 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: Every alien saw doves.

TEST RESULT:

NOTE: doves ≤ some birds

[73] Every alien saw some doves.

genre: paper:upward_monotone:lexical_knowledge | pairs: 2 | mode: default

`cards: Every NP/N | alien N | saw (S\NP)/NP | some NP/N | doves N`

polarity: Every↑ alien↓ saw↑ some↑ doves↑

flags: -

pairID 4613 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: Every alien saw some birds.

TEST RESULT:

NOTE: doves ≤ birds

pairID 4936 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: Every alien saw birds.

TEST RESULT:

NOTE: some doves ≤ birds

[74] Every alien threw some balls.

genre: paper:upward_monotone | pairs: 2 | mode: switch

`cards: Every NP/N | alien N | threw (S\NP)/NP | some NP/N | balls N`

polarity: Every↑ alien↓ threw↑ some↑ balls↑

flags: -

pairID 4306 | gold: neutral | genre: paper:upward_monotone

H: Every alien threw tennis balls.

TEST RESULT:

NOTE: tennis balls ≤ some balls

pairID 4690 | gold: neutral | genre: paper:upward_monotone

H: Every alien threw some tennis balls.

TEST RESULT:

NOTE: tennis balls ≤ balls

[75] Every alien used some coins.

genre: paper:upward_monotone:lexical_knowledge | pairs: 3 | mode: default

`cards: Every NP/N | alien N | used (S\NP)/NP | some NP/N | coins N`

polarity: Every↑ alien↓ used↑ some↑ coins↑

flags: -

pairID 4466 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: Every alien used quarters.

TEST RESULT:

NOTE: quarters ≤ some coins

pairID 4770 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: Every alien used some quarters.

TEST RESULT:

NOTE: quarters ≤ coins

pairID 4939 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: Every alien used quarters.

TEST RESULT:

NOTE: quarters ≤ some coins

[76] Every alien used some quarters.

genre: paper:upward_monotone:lexical_knowledge | pairs: 2 | mode: default

`cards: Every NP/N | alien N | used (S\NP)/NP | some NP/N | quarters N`

polarity: Every↑ alien↓ used↑ some↑ quarters↑

flags: -

pairID 4470 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: Every alien used coins.

TEST RESULT:

NOTE: Some quarters ≤ coins

pairID 4774 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: Every alien used some coins.

TEST RESULT:

NOTE: quarters ≤ coins

[77] Every linguist entered the race.

genre: paper:upward_monotone | pairs: 1 | mode: default

`cards: Every NP/N | linguist N | entered (S\NP)/NP | the NP/N | race N`

polarity: Every↑ linguist↓ entered↑ the↑ race=

flags: -

pairID 5376 | gold: neutral | genre: paper:upward_monotone

H: Every linguist entered the race early.

TEST RESULT: ✓

NOTE: entered the race early ≤ entered the race as VP

[78] Every man sang and danced.

genre: paper:upward_monotone:conjunction | pairs: 2 | mode: default

`cards: Every NP/N | man N | sang S\NP | and CONJ | danced S\NP`

polarity: Every↑ man↓ sang↑ and↑ danced↑

flags: -

pairID 5014 | gold: entailment | genre: paper:upward_monotone:conjunction

H: Every man sang.

TEST RESULT: ✓

NOTE: sang and danced ≤ danced

pairID 5015 | gold: entailment | genre: paper:upward_monotone:conjunction

H: Every man danced.

TEST RESULT: ✓

NOTE: sang and danced ≤ sang

[79] Every man sang or danced.

genre: paper:upward_monotone:disjunction | pairs: 2 | mode: default

`cards: Every NP/N | man N | sang S\NP | or CONJ | danced S\NP`

polarity: Every↑ man↓ sang↑ or↑ danced↑

flags: -

pairID 5018 | gold: neutral | genre: paper:upward_monotone:disjunction

H: Every man sang.

TEST RESULT: ✓

NOTE: sang ≤ sang or danced

pairID 5019 | gold: neutral | genre: paper:upward_monotone:disjunction

H: Every man danced.

TEST RESULT:

NOTE: danced ≤ sang or danced

[80] Exactly five dots are red.

genre: paper:non_monotone:lexical_knowledge | pairs: 1 | mode: switch

`cards: Exactly (NP/N)/NUM | five NUM | dots N | are (S\NP)/(S[adj]\NP) | red S[adj]\NP`

polarity: Exactly↑ five= dots= are= red=

flags: -

pairID 5101 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly five dots are scarlet.

TEST RESULT:

NOTE: scarlet ≤ red

[81] Exactly five dots are scarlet.

genre: paper:non_monotone:lexical_knowledge | pairs: 1 | mode: switch

`cards: Exactly (NP/N)/NUM | five NUM | dots N | are (S\NP)/(S[adj]\NP) | scarlet S[adj]\NP`

polarity: Exactly↑ five= dots= are= scarlet=

flags: -

pairID 5102 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly five dots are red.

TEST RESULT:

NOTE: scarlet ≤ red

[82] Exactly one man ran quickly.

genre: paper:non_monotone | pairs: 1 | mode: switch

`cards: Exactly (NP/N)/NUM | one NUM | man N | ran S\NP | quickly (S\NP)\(S\NP)`

polarity: Exactly↑ one= man= ran= quickly=

flags: -

pairID 4996 | gold: neutral | genre: paper:non_monotone

H: Exactly one man ran.

TEST RESULT:

NOTE: ran quickly ≤ ran as VP

[83] Exactly three elephants are blue.

genre: paper:non_monotone:lexical_knowledge | pairs: 1 | mode: switch

`cards: Exactly (NP/N)/NUM | three NUM | elephants N | are (S\NP)/(S[adj]\NP) | blue S[adj]\NP`

polarity: Exactly↑ three= elephants= are= blue=

flags: -

pairID 5118 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly three pachyderms are blue.

TEST RESULT:

NOTE: elephants ≤ pachyderms

[84] Exactly three pachyderms are blue.

genre: paper:non_monotone:lexical_knowledge | pairs: 1 | mode: switch

`cards: Exactly (NP/N)/NUM | three NUM | pachyderms N | are (S\NP)/(S[adj]\NP) | blue S[adj]\NP`

polarity: Exactly↑ three= pachyderms= are= blue=

flags: -

pairID 5117 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly three elephants are blue.

TEST RESULT:

NOTE: elephants ≤ pachyderms

[85] Few linguists entered the race.

genre: paper:downward_monotone | pairs: 1 | mode: default

`cards: Few NP/N | linguists N | entered (S\NP)/NP | the NP/N | race N`

polarity: Few↑ linguists= entered↓ the↓ race=

flags: -

pairID 5373 | gold: entailment | genre: paper:downward_monotone

H: Few linguists entered the race early.

TEST RESULT:

NOTE: entered the race early ≤ entered the race as VP

[86] Fewer than five dots are red.

genre: paper:downward_monotone:lexical_knowledge | pairs: 1 | mode: switch

`cards: fewer than (NP/N)/NUM | five NUM | dots N | are (S\NP)/(S[adj]\NP) | red S[adj]\NP`

polarity: fewer than↑ five↑ dots↓ are↓ red↓

flags: -

pairID 5099 | gold: entailment | genre: paper:downward_monotone:lexical_knowledge

H: Fewer than five dots are scarlet.

TEST RESULT:

NOTE: scarlet ≤ red

[87] Fewer than five dots are scarlet.

genre: paper:downward_monotone:lexical_knowledge | pairs: 1 | mode: switch

`cards: fewer than (NP/N)/NUM | five NUM | dots N | are (S\NP)/(S[adj]\NP) | scarlet S[adj]\NP`

polarity: fewer than↑ five↑ dots↓ are↓ scarlet↓

flags: -

pairID 5100 | gold: neutral | genre: paper:downward_monotone:lexical_knowledge

H: Fewer than five dots are red.

TEST RESULT:

NOTE: scarlet ≤ red

[88] John entered the race early.

genre: paper:upward_monotone | pairs: 1 | mode: default

`cards: John NP | entered (S\NP)/NP | the NP/N | race N | early (S\NP)\(S\NP)`

polarity: John= entered↑ the↑ race= early↑

flags: -

pairID 5369 | gold: entailment | genre: paper:upward_monotone

H: John entered the race.

TEST RESULT:

NOTE: entered the race early ≤ entered the race as VP

[89] Many aliens ate some meat.

`cards: Many NP/N | aliens N | drove (S\NP)/NP | some NP/N | cars N`

polarity: Many↑ aliens= drove↑ some↑ cars↑

flags: -

pairID 4618 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: Many aliens drove some suvs.

TEST RESULT:

NOTE: suvs ⊆ cars

[96] Many aliens drove some suvs.

genre: paper:upward_monotone:lexical_knowledge | pairs: 1 | mode: switch

`cards: Many NP/N | aliens N | drove (S\NP)/NP | some NP/N | suvs N`

polarity: Many↑ aliens= drove↑ some↑ suvs↑

flags: -

pairID 4622 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: Many aliens drove some cars.

TEST RESULT:

NOTE: suvs ⊆ cars

[97] Many aliens read some books.

genre: paper:upward_monotone:lexical_knowledge | pairs: 2 | mode: switch

`cards: Many NP/N | aliens N | read (S\NP)/NP | some NP/N | books N`

polarity: Many↑ aliens= read↑ some↑ books↑

flags: -

pairID 4320 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: Many aliens read sci-fi novels.

TEST RESULT:

NOTE: sci-fi novels ⊆ some books

pairID 4696 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: Many aliens read some sci-fi novels.

TEST RESULT:

NOTE: sci-fi novels ⊆ books

[98] Many aliens read some magazines.

genre: paper:upward_monotone | pairs: 2 | mode: switch

`cards: Many NP/N | aliens N | read (S\NP)/NP | some NP/N | magazines N`

polarity: Many↑ aliens= read↑ some↑ magazines↑

flags: -

pairID 4471 | gold: neutral | genre: paper:upward_monotone

H: Many aliens read news magazines.

TEST RESULT: _____

NOTE: news magazines ≤ some magazines

pairID 4775 | gold: neutral | genre: paper:upward_monotone

H: Many aliens read some news magazines.

TEST RESULT: _____

NOTE: news magazines ≤ magazines

[99] Many aliens saw some birds.

genre: paper:upward_monotone:lexical_knowledge | pairs: 2 | mode: default

`cards: Many NP/N | aliens N | saw (S\NP)/NP | some NP/N | birds N`

polarity: Many↑ aliens= saw↑ some↑ birds↑

flags: -

pairID 4617 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: Many aliens saw some doves.

TEST RESULT: _____

NOTE: doves ≤ birds

pairID 4975 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: Many aliens saw doves.

TEST RESULT: _____

NOTE: doves ≤ some birds

[100] Many aliens saw some doves.

genre: paper:upward_monotone:lexical_knowledge | pairs: 2 | mode: default

`cards: Many NP/N | aliens N | saw (S\NP)/NP | some NP/N | doves N`

polarity: Many↑ aliens= saw↑ some↑ doves↑

flags: -

pairID 4621 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: Many aliens saw some birds.

TEST RESULT: _____

NOTE: doves ≤ birds

pairID 4976 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: Many aliens saw birds.

TEST RESULT: _____

NOTE: some doves ≤ birds

[101] Many aliens threw some balls.

genre: paper:upward_monotone | pairs: 2 | mode: switch

`cards: Many NP/N | aliens N | threw (S\NP)/NP | some NP/N | balls N`

polarity: Many↑ aliens= threw↑ some↑ balls↑

flags: -

pairID 4322 | gold: neutral | genre: paper:upward_monotone

H: Many aliens threw tennis balls.

TEST RESULT: _____

NOTE: tennis balls ≤ some balls

pairID 4698 | gold: neutral | genre: paper:upward_monotone

H: Many aliens threw some tennis balls.

TEST RESULT: _____

NOTE: tennis balls ≤ balls

[102] Many aliens used some coins.

H: She kissed less than three words.

TEST RESULT: ✓

NOTE: whispered ⊈ ⊉ kissed

[110] She whispered more than three words.

genre: paper:upward_monotone:lexical_knowledge | pairs: 1 | mode: default

`cards: She NP | whispered (S\NP)/NP | more than (NP/N)/NUM | three NUM | words N`

polarity: She= whispered↑ more than↑ three↓ words↑

flags: -

pairID 5059 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: She said more than three words.

TEST RESULT:

NOTE: whispered ≤ said

[111] Some delegates finished the survey.

genre: paper:FraCaS_GQ:upward_monotone | pairs: 1 | mode: default

`cards: Some NP/N | delegates N | finished (S\NP)/NP | the NP/N | survey N`

polarity: Some↑ delegates↑ finished↑ the↑ survey=

flags: -

pairID 11 | gold: neutral | genre: paper:FraCaS_GQ:upward_monotone

H: Some delegates finished the survey on time.

TEST RESULT:

NOTE: Finished the survey on time ≤ Finished the survey as VP

[112] Some elephants are not blue.

genre: paper:downward_monotone | pairs: 1 | mode: switch

`cards: Some NP/N | elephants N | are (S\NP)/(S[adj]\NP) | not NEG | blue S[adj]\NP`

polarity: Some↑ elephants↑ are↑ not↑ blue↓

flags: -

pairID 5135 | gold: entailment | genre: paper:downward_monotone

H: Some elephants are not navy blue.

TEST RESULT:

NOTE: navy blue ≤ blue

[113] Some elephants are not pink.

genre: paper:upward_monotone:lexical_knowledge | pairs: 1 | mode: switch

`cards: Some NP/N | elephants N | are (S\NP)/(S[adj]\NP) | not NEG | pink S[adj]\NP`

polarity: Some↑ elephants↑ are↑ not↑ pink↓

flags: -

pairID 5123 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: Some pachyderms are not pink.

TEST RESULT:

NOTE: elephants ≤ pachyderms

[114] Some pachyderms are not pink.

genre: paper:upward_monotone:lexical_knowledge | pairs: 1 | mode: switch

`cards: Some NP/N | pachyderms N | are (S\NP)/(S[adj]\NP) | not NEG | pink S[adj]\NP`

polarity: Some↑ pachyderms↑ are↑ not↑ pink↓

flags: -

pairID 5124 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: Some elephants are not pink.

TEST RESULT:

NOTE: elephants ≤ pachyderms

[115] Alan took his vacation in California.

genre: paper:upward_monotone | pairs: 1 | mode: default

`cards: Alan NP | took (S\NP)/NP | his NP/N | vacation N | in (N\N)/NP | California NP`

polarity: Alan= took↑ his↑ vacation= in= California=

flags: -

pairID 40 | gold: neutral | genre: paper:upward_monotone

H: Both Alan and Bob took their vacations in California.

TEST RESULT:

NOTE: Both Alan and Bob ≤ Alan

[116] At least one man sang and danced.

genre: paper:upward_monotone:conjunction | pairs: 2 | mode: switch

`cards: at least (NP/N)/NUM | one NUM | man N | sang S\NP | and CONJ | danced S\NP`

polarity: at least↑ one↓ man↑ sang↑ and↑ danced↑

flags: -

pairID 5006 | gold: entailment | genre: paper:upward_monotone:conjunction

H: At least one man sang.

TEST RESULT: ✓

NOTE: sang and danced ≤ sang

pairID 5007 | gold: entailment | genre: paper:upward_monotone:conjunction

H: At least one man danced.

TEST RESULT: ✓

NOTE: sang and danced ≤ danced

[117] At least one man sang or danced.

genre: paper:upward_monotone:disjunction | pairs: 2 | mode: switch

`cards: at least (NP/N)/NUM | one NUM | man N | sang S\NP | or CONJ | danced S\NP`

polarity: at least↑ one↓ man↑ sang↑ or↑ danced↑

flags: -

pairID 5010 | gold: neutral | genre: paper:upward_monotone:disjunction

H: At least one man sang.

TEST RESULT: ✓

NOTE: sang ≤ sang or danced

pairID 5011 | gold: neutral | genre: paper:upward_monotone:disjunction

H: At least one man danced.

TEST RESULT: ✓

NOTE: danced ≤ sang or danced

[118] At most three girls did not dance.

genre: paper:upward_monotone:lexical_knowledge:reverse | pairs: 1 | mode: default

`cards: at most (NP/N)/NUM | three NUM | girls N | did (S\NP)/(S\NP) | not NEG | dance S\NP`

polarity: at most↑ three↑ girls↓ did↓ not↓ dance↑

flags: -

pairID 5065 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge:reverse

H: At most three girls did not move.

TEST RESULT:

NOTE: dance ≤ move

[119] At most three girls did not move.

genre: paper:upward_monotone:lexical_knowledge:reverse | pairs: 1 | mode: default

`cards: at most (NP/N)/NUM | three NUM | girls N | did (S\NP)/(S\NP) | not NEG | move S\NP`

polarity: at most↑ three↑ girls↓ did↓ not↓ move↑

flags: -

pairID 5066 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge:reverse

H: At most three girls did not dance.

TEST RESULT:

NOTE: dance ≤ move

[120] Betty doesn't live in Berlin.

genre: paper:downward_monotone:lexical_knowledge | pairs: 1 | mode: switch

`cards: Betty NP | does (S\NP)/(S\NP) | not NEG | live S\NP | in ((S\NP)\(S\NP))/NP | Berlin NP`

polarity 1: Betty= does↑ not↑ live↓ in↓ Berlin=

polarity 2: Betty= does↑ not↑ live↓ in↑ Berlin=

flags: MULTI-READING

pairID 5084 | gold: neutral | genre: paper:downward_monotone:lexical_knowledge

H: Betty doesn't live in Germany.

TEST RESULT:

NOTE: in Berlin ≤ in Germany as PP

Second reading is not the right one!

[121] Betty doesn't live in Germany.

genre: paper:downward_monotone:lexical_knowledge | pairs: 1 | mode: switch

cards: Betty NP | does (S\NP)/(S\NP) | not NEG | live S\NP | in ((S\NP)\(S\NP))/NP | Germany NP

polarity 1: Betty= does↑ not↑ live↓ in↓ Germany=

polarity 2: Betty= does↑ not↑ live↓ in↑ Germany= not right!

flags: MULTI-READING

pairID 5083 | gold: entailment | genre: paper:downward_monotone:lexical_knowledge

H: Betty doesn't live in Berlin.

TEST RESULT:

NOTE: in Berlin ≤ in Germany as PP

[122] Every alien played with some toys.

genre: paper:upward_monotone:lexical_knowledge | pairs: 2 | mode: switch

cards: Every NP/N | alien N | played S\NP | with ((S\NP)\(S\NP))/NP | some NP/N | toys N

polarity: Every↑ alien↓ played↑ with↑ some↑ toys↑

flags: -

pairID 4305 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: Every alien played with toy cars.

TEST RESULT:

NOTE: toy cars ≤ some toys

pairID 4689 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: Every alien played with some toy cars.

TEST RESULT:

NOTE: toy cars ≤ cars

[123] Every alien read some sci-fi novels.

genre: paper:upward_monotone:lexical_knowledge | pairs: 2 | mode: switch

cards: Every NP/N | alien N | read (S\NP)/NP | some NP/N | sci-fi N/N | novels N

polarity: Every↑ alien↓ read↑ some↑ sci-fi↑ novels↑

flags: -

pairID 4308 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: Every alien read books.

TEST RESULT:

NOTE: some sci-fi novels ≤ books

pairID 4692 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: Every alien read some books.

TEST RESULT: _____

NOTE: sci-fi novels ≤ books

[124] Every linguist entered the race early.

genre: paper:upward_monotone | pairs: 1 | mode: default

`cards: Every NP/N | linguist N | entered (S\NP)/NP | the NP/N | race N | early (S\NP)\(S\NP)`

polarity: Every↑ linguist↓ entered↑ the↑ race= early↑

flags: -

pairID 5368 | gold: entailment | genre: paper:upward_monotone

H: Every linguist entered the race.

TEST RESULT: _____

NOTE: entered the race early ≤ entered the race as VP

[125] Every student whom Mary kissed smiled.

genre: paper:downward_monotone:lexical_knowledge | pairs: 1 | mode: default

`cards: Every NP/N | student N | whom (N\N)/(S/NP) | Mary NP | kissed (S\NP)/NP | smiled S\NP`

polarity: Every↑ student↓ whom↓ Mary= kissed↓ smiled↑

flags: -

pairID 5359 | gold: neutral | genre: paper:downward_monotone:lexical_knowledge

H: Every student whom Mary touched smiled.

TEST RESULT: _____

NOTE: kissed ≤ touched

[126] Every student whom Mary touched smiled.

genre: paper:downward_monotone:lexical_knowledge | pairs: 1 | mode: default

`cards: Every NP/N | student N | whom (N\N)/(S/NP) | Mary NP | touched (S\NP)/NP | smiled S\NP`

polarity: Every↑ student↓ whom↓ Mary= touched↓ smiled↑

flags: -

pairID 5356 | gold: entailment | genre: paper:downward_monotone:lexical_knowledge

H: Every student whom Mary kissed smiled.

TEST RESULT: _____

NOTE: kissed ≤ touched

[127] Exactly 12 aliens ate some meat.

genre: paper:non_monotone:lexical_knowledge | pairs: 2 | mode: default

`cards: Exactly (NP/N)/NUM | 12 NUM | aliens N | ate (S\NP)/NP | some NP/N | meat N`

polarity: Exactly↑ 12= aliens= ate= some= meat=

flags: -

pairID 4567 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly 12 aliens ate some pork.

TEST RESULT: _____

NOTE: pork ≤ meat

pairID 4965 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly 12 aliens ate pork.

TEST RESULT: _____

NOTE: pork ≤ some meat

[128] Exactly 12 aliens ate some pork.

genre: paper:non_monotone:lexical_knowledge | pairs: 2 | mode: default

`cards: Exactly (NP/N)/NUM | 12 NUM | aliens N | ate (S\NP)/NP | some NP/N | pork N`

polarity: Exactly↑ 12= aliens= ate= some= pork=

flags: -

pairID 4571 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly 12 aliens ate some meat.

TEST RESULT: _____

NOTE: pork ≤ meat

pairID 4966 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly 12 aliens ate meat.

TEST RESULT: _____

NOTE: some pork ≤ meat

[129] Exactly 12 aliens bought some clothes.

genre: paper:non_monotone:lexical_knowledge | pairs: 2 | mode: default

`cards: Exactly (NP/N)/NUM | 12 NUM | aliens N | bought (S\NP)/NP | some NP/N | clothes N`

polarity: Exactly↑ 12= aliens= bought= some= clothes=

flags: -

pairID 4425 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly 12 aliens bought shirts.

TEST RESULT:

NOTE: shirts ≤ some clothes

pairID 4753 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly 12 aliens bought some shirts.

TEST RESULT:

NOTE: shirts ≤ clothes

[130] Exactly 12 aliens bought some shirts.

genre: paper:non_monotone:lexical_knowledge | pairs: 2 | mode: default

`cards: Exactly (NP/N)/NUM | 12 NUM | aliens N | bought (S\NP)/NP | some NP/N | shirts N`

polarity: Exactly↑ 12= aliens= bought= some= shirts=

flags: -

pairID 4429 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly 12 aliens bought clothes.

TEST RESULT:

NOTE: some shirts ≤ clothes

pairID 4757 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly 12 aliens bought some clothes.

TEST RESULT:

NOTE: shirts ≤ clothes

[131] Exactly 12 aliens drank some coke.

genre: paper:non_monotone:lexical_knowledge | pairs: 2 | mode: switch

`cards: Exactly (NP/N)/NUM | 12 NUM | aliens N | drank (S\NP)/NP | some NP/N | coke N`

polarity: Exactly↑ 12= aliens= drank= some= coke=

flags: -

pairID 4315 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly 12 aliens drank soda.

TEST RESULT:

NOTE: some coke ≤ soda

pairID 4675 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly 12 aliens drank some soda.

TEST RESULT:

NOTE: coke ≤ soda

[132] Exactly 12 aliens drank some soda.

genre: paper:non_monotone:lexical_knowledge | pairs: 2 | mode: switch

`cards: Exactly (NP/N)/NUM | 12 NUM | aliens N | drank (S\NP)/NP | some NP/N | soda N`

polarity: Exactly↑ 12= aliens= drank= some= soda=

flags: -

pairID 4311 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly 12 aliens drank coke.

TEST RESULT:

NOTE: coke ≤ some soda

pairID 4671 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly 12 aliens drank some coke.

TEST RESULT:

NOTE: coke ≤ soda

[133] Exactly 12 aliens drove some cars.

genre: paper:non_monotone:lexical_knowledge | pairs: 1 | mode: switch

`cards: Exactly (NP/N)/NUM | 12 NUM | aliens N | drove (S\NP)/NP | some NP/N | cars N`

polarity: Exactly↑ 12= aliens= drove= some= cars=

flags: -

pairID 4570 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly 12 aliens drove some suvs.

TEST RESULT: _____

NOTE: suvs ≤ some cars

[134] Exactly 12 aliens drove some suvs.

genre: paper:non_monotone:lexical_knowledge | pairs: 1 | mode: switch

`cards: Exactly (NP/N)/NUM | 12 NUM | aliens N | drove (S\NP)/NP | some NP/N | suvs N`

polarity: Exactly↑ 12= aliens= drove= some= suvs=

flags: -

pairID 4574 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly 12 aliens drove some cars.

TEST RESULT: _____

NOTE: suvs ≤ cars

[135] Exactly 12 aliens read some books.

genre: paper:non_monotone:lexical_knowledge | pairs: 2 | mode: switch

`cards: Exactly (NP/N)/NUM | 12 NUM | aliens N | read (S\NP)/NP | some NP/N | books N`

polarity: Exactly↑ 12= aliens= read= some= books=

flags: -

pairID 4312 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly 12 aliens read sci-fi novels.

TEST RESULT: _____

NOTE: sci-fi novels ≤ some books

pairID 4672 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly 12 aliens read some sci-fi novels.

TEST RESULT: _____

NOTE: sci-fi novels ≤ books

[136] Exactly 12 aliens read some magazines.

genre: paper:non_monotone | pairs: 2 | mode: switch

`cards: Exactly (NP/N)/NUM | 12 NUM | aliens N | read (S\NP)/NP | some NP/N | magazines N`

polarity: Exactly↑ 12= aliens= read= some= magazines=

flags: -

pairID 4423 | gold: neutral | genre: paper:non_monotone

H: Exactly 12 aliens read news magazines.

TEST RESULT: _____

NOTE: news magazines ≤ some magazines

pairID 4751 | gold: neutral | genre: paper:non_monotone

H: Exactly 12 aliens read some news magazines.

TEST RESULT: _____

NOTE: news magazines ≤ magazines

[137] Exactly 12 aliens saw some birds.

genre: paper:non_monotone:lexical_knowledge | pairs: 2 | mode: default

`cards: Exactly (NP/N)/NUM | 12 NUM | aliens N | saw (S\NP)/NP | some NP/N | birds N`

polarity: Exactly↑ 12= aliens= saw= some= birds=

flags: -

pairID 4569 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly 12 aliens saw some doves.

TEST RESULT: _____

NOTE: doves ≤ birds

pairID 4969 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly 12 aliens saw doves.

TEST RESULT: _____

NOTE: doves ≤ some birds

[138] Exactly 12 aliens saw some doves.

genre: paper:non_monotone:lexical_knowledge | pairs: 2 | mode: default

`cards: Exactly (NP/N)/NUM | 12 NUM | aliens N | saw (S\NP)/NP | some NP/N | doves N`

polarity: Exactly↑ 12= aliens= saw= some= doves=

flags: -

pairID 4573 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly 12 aliens saw some birds.

TEST RESULT:

NOTE: doves ≤ birds

pairID 4970 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly 12 aliens saw birds.

TEST RESULT:

NOTE: some doves ≤ birds

[139] Exactly 12 aliens threw some balls.

genre: paper:non_monotone | pairs: 2 | mode: switch

`cards: Exactly (NP/N)/NUM | 12 NUM | aliens N | threw (S\NP)/NP | some NP/N | balls N`

polarity: Exactly↑ 12= aliens= threw= some= balls=

flags: -

pairID 4314 | gold: neutral | genre: paper:non_monotone

H: Exactly 12 aliens threw tennis balls.

TEST RESULT:

NOTE: tennis balls ≤ some balls

pairID 4674 | gold: neutral | genre: paper:non_monotone

H: Exactly 12 aliens threw some tennis balls.

TEST RESULT:

NOTE: tennis balls ≤ balls

[140] Exactly 12 aliens used some coins.

genre: paper:non_monotone:lexical_knowledge | pairs: 2 | mode: default

`cards: Exactly (NP/N)/NUM | 12 NUM | aliens N | used (S\NP)/NP | some NP/N | coins N`

polarity: Exactly↑ 12= aliens= used= some= coins=

flags: -

pairID 4426 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly 12 aliens used quarters.

TEST RESULT: ✓

NOTE: quarters ≤ some coins

pairID 4754 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly 12 aliens used some quarters.

TEST RESULT: ✓

NOTE: quarters ≤ coins

[141] Exactly 12 aliens used some quarters.

genre: paper:non_monotone:lexical_knowledge | pairs: 2 | mode: default

`cards: Exactly (NP/N)/NUM | 12 NUM | aliens N | used (S\NP)/NP | some NP/N | quarters N`

polarity: Exactly↑ 12= aliens= used= some= quarters=

flags: -

pairID 4430 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly 12 aliens used coins.

TEST RESULT: ✓

NOTE: some quarters ≤ coins

pairID 4758 | gold: neutral | genre: paper:non_monotone:lexical_knowledge

H: Exactly 12 aliens used some coins.

TEST RESULT: ✓

NOTE: quarters ≤ coins

[142] Exactly one man sang or danced.

genre: paper:non_monotone:disjunction | pairs: 2 | mode: switch

`cards: Exactly (NP/N)/NUM | one NUM | man N | sang S\NP | or CONJ | danced S\NP`

polarity: Exactly↑ one= man= sang= or= danced=

flags: -

pairID 5022 | gold: neutral | genre: paper:non_monotone:disjunction

H: Exactly one man sang.

TEST RESULT:

NOTE: sang ≤ sang or danced

pairID 5023 | gold: neutral | genre: paper:non_monotone:disjunction

H: Exactly one man danced.

TEST RESULT:

NOTE: danced ≤ sang or danced

[143] Few linguists entered the race early.

genre: paper:downward_monotone | pairs: 1 | mode: default

`cards: Few NP/N | linguists N | entered (S\NP)/NP | the NP/N | race N | early (S\NP)\(S\NP)`

polarity: Few↑ linguists= entered↓ the↓ race= early↓

flags: -

pairID 5381 | gold: neutral | genre: paper:downward_monotone

H: Few linguists entered the race.

TEST RESULT:

NOTE: entered the race early ≤ entered the race as VP

[144] He knows a city in Europe.

genre: paper:upward_monotone:lexical_knowledge | pairs: 1 | mode: default

`cards: He NP | knows (S\NP)/NP | a NP/N | city N | in (N\N)/NP | Europe NP`

polarity: He= knows↑ a↑ city↑ in↑ Europe=

flags: -

pairID 5056 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: He knows a city in spain.

TEST RESULT:

NOTE: in Spain ≤ in Europe as PP

[145] I have never seen a hummingbird.

genre: paper:GLUE:downward_monotone | pairs: 1 | mode: switch

`cards: I NP | have (S\NP)/(S\NP) | never (S\NP)/(S\NP) | seen (S\NP)/NP | a NP/N | hummingbird N`

polarity: I= have↑ never↑ seen↓ a↓ hummingbird↓

flags: -

pairID 76 | gold: entailment | genre: paper:GLUE:downward_monotone

H: I have never seen a hummingbird not flying.

TEST RESULT:

NOTE: hummingbird not flying ≤ hummingbird

[146] Many aliens played with some toys.

genre: paper:upward_monotone:lexical_knowledge | pairs: 2 | mode: switch

`cards: Many NP/N | aliens N | played S\NP | with ((S\NP)\(S\NP))/NP | some NP/N | toys N`

polarity: Many↑ aliens= played↑ with↑ some↑ toys↑

flags: -

pairID 4321 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: Many aliens played with toy cars.

TEST RESULT:

NOTE: toy cars ≤ some toys

pairID 4697 | gold: neutral | genre: paper:upward_monotone:lexical_knowledge

H: Many aliens played with some toy cars.

TEST RESULT:

NOTE: toy cars ≤ toys

[147] Many aliens read some sci-fi novels.

genre: paper:upward_monotone:lexical_knowledge | pairs: 2 | mode: switch

`cards: Many NP/N | aliens N | read (S\NP)/NP | some NP/N | sci-fi N/N | novels N`

polarity: Many↑ aliens= read↑ some↑ sci-fi↑ novels↑

flags: -

pairID 4324 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: Many aliens read books.

TEST RESULT:

NOTE: some sci-fi novels ≤ books

pairID 4700 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: Many aliens read some books.

TEST RESULT:

NOTE: sci-fi novels ≤ books

[148] Many campers have caught a cold.

genre: paper:upward_monotone:disjunction:npi | pairs: 2 | mode: switch

`cards: Many NP/N | campers N | have (S\NP)/(S\NP) | caught (S\NP)/NP | a NP/N | cold N`

polarity: Many↑ campers= have↑ caught↑ a↑ cold↑

flags: -

pairID 5317 | gold: entailment | genre: paper:upward_monotone:disjunction:npi

H: Many campers have ever had a sunburn or caught a cold.

TEST RESULT:

NOTE: caught a cold ≤ (...) or caught a cold

pairID 5318 | gold: entailment | genre: paper:upward_monotone:disjunction

H: Many campers have had a sunburn or caught a cold.

TEST RESULT:

NOTE: caught a cold ≤ (...) or caught a cold

[149] Many men entered the race early.

genre: paper:downward_monotone | pairs: 1 | mode: default

`cards: Many NP/N | men N | entered (S\NP)/NP | the NP/N | race N | early (S\NP)\(S\NP)`

polarity: Many↑ men= entered↑ the↑ race= early↑

flags: -

pairID 5380 | gold: neutral | genre: paper:downward_monotone

H: No plumber entered the race.

TEST RESULT:

NOTE: Comparison does not make sense!

[150] The blue alien ate some pork.

genre: paper:upward_monotone:lexical_knowledge | pairs: 1 | mode: default

`cards: The NP/N | blue N/N | alien N | ate (S\NP)/NP | some NP/N | pork N`

polarity: The↑ blue= alien= ate↑ some↑ pork↑

flags: -

pairID 4627 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: The blue alien ate some meat.

TEST RESULT:

NOTE: pork ≤ meat

[151] The blue alien bought some shirts.

genre: paper:upward_monotone:lexical_knowledge | pairs: 2 | mode: default

`cards: The NP/N | blue N/N | alien N | bought (S\NP)/NP | some NP/N | shirts N`

polarity: The↑ blue= alien= bought↑ some↑ shirts↑

flags: -

pairID 4485 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: The blue alien bought clothes.

TEST RESULT:

NOTE: some shirts ≤ clothes

pairID 4789 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: The blue alien bought some clothes.

TEST RESULT:

NOTE: shirts ≤ clothes

[152] The blue alien drank some coke.

genre: paper:upward_monotone:lexical_knowledge | pairs: 2 | mode: switch

`cards: The NP/N | blue N/N | alien N | drank (S\NP)/NP | some NP/N | coke N`

polarity: The↑ blue= alien= drank↑ some↑ coke↑

flags: -

pairID 4339 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: The blue alien drank soda.

TEST RESULT:

NOTE: some coke ≤ soda

pairID 4707 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: The blue alien drank some soda.

TEST RESULT: _____

NOTE: coke ≤ soda

[153] The blue alien drove some suvs.

genre: paper:upward_monotone:lexical_knowledge | pairs: 1 | mode: switch

`cards: The NP/N | blue N/N | alien N | drove (S\NP)/NP | some NP/N | suvs N`

polarity: The↑ blue= alien= drove↑ some↑ suvs↑

flags: -

pairID 4630 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: The blue alien drove some cars.

TEST RESULT: _____

NOTE: suvs ≤ cars

[154] The blue alien saw some doves.

genre: paper:upward_monotone:lexical_knowledge | pairs: 1 | mode: default

`cards: The NP/N | blue N/N | alien N | saw (S\NP)/NP | some NP/N | doves N`

polarity: The↑ blue= alien= saw↑ some↑ doves↑

flags: -

pairID 4629 | gold: entailment | genre: paper:upward_monotone:lexical_knowledge

H: The blue alien saw some birds.

TEST RESULT: _____

NOTE: doves ≤ birds

[155] The blue alien used some quarters.

genre: paper:upward_monotone:lexical_knowledge | pairs: 2 | mode: default

`cards: The NP/N | blue N/N | alien N | used (S\NP)/NP | some NP/N | quarters N`

polarity: The↑ blue= alien= used↑ some↑ quarters↑

flags: -

TEST RESULT:

NOTE: criminals ⊄ ⊅ crime

but MED assumes like criminals ≤ crime

pairID 2118 | gold: entailment | genre: crowd:downward_monotone:lexical_knowledge

H: Every felony must be punished.

TEST RESULT:

NOTE: felony ≦ crime

pairID 2119 | gold: entailment | genre: crowd:downward_monotone

H: Every small crime must be punished.

TEST RESULT:

NOTE: small crime ≦ crime

pairID 2121 | gold: entailment | genre: crowd:downward_monotone

H: Every violent crime must be punished.

TEST RESULT:

NOTE: violent crime ≦ crime

[216] Every man has his price.

genre: crowd:downward_monotone | pairs: 1 | mode: default

`cards: Every NP/N | man N | has (S\NP)/NP | his NP/N | price N`

polarity: Every↑ man↓ has↑ his↑ price=

flags: -

pairID 3610 | gold: entailment | genre: crowd:downward_monotone

H: Every ambitious man has his price.

TEST RESULT:

NOTE: ambitious man ≦ man

[217] Every ship needs an anchor.

genre: crowd:upward_monotone:lexical_knowledge | pairs: 4 | mode: switch

`cards: Every NP/N | ship N | needs (S\NP)/NP | an NP/N | anchor N`

polarity: Every↑ ship↓ needs↑ an↑ anchor↑

flags: -

pairID 832 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: Every ship needs an grapnel.

TEST RESULT:

NOTE: grapnel ≦ anchor

pairID 833 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: Every ship needs an mooring line.

TEST RESULT:

NOTE: anchor ≠ ≠ mooring line

pairID 2765 | gold: entailment | genre: crowd:downward_monotone

H: Every ship being in port needs an anchor.

TEST RESULT:

NOTE: ship being in port ≤ ship

pairID 2767 | gold: entailment | genre: crowd:downward_monotone

H: Every big ship needs an anchor.

TEST RESULT:

NOTE: big ship ≤ ship

[218] Every spectator buys a ticket.

genre: crowd:downward_monotone | pairs: 4 | mode: default

`cards: Every NP/N | spectator N | buys (S\NP)/NP | a NP/N | ticket N`

polarity: Every↑ spectator↓ buys↑ a↑ ticket↑

flags: -

pairID 3982 | gold: entailment | genre: crowd:downward_monotone

H: Every good spectator buys a ticket.

TEST RESULT:

NOTE: good spectator ≤ spectator

pairID 3984 | gold: entailment | genre: crowd:downward_monotone

H: Every nice spectator buys a ticket.

TEST RESULT:

NOTE: nice spectator ≤ spectator

pairID 3986 | gold: entailment | genre: crowd:downward_monotone

H: Every honest spectator buys a ticket.

TEST RESULT:

NOTE: honest spectator ≤ spectator

pairID 3988 | gold: entailment | genre: crowd:downward_monotone

H: Every person who is a female spectator buys a ticket.

TEST RESULT:

NOTE: person who is a female spectator ≤ spectator

[219] He does not speak English.

genre: crowd:downward_monotone | pairs: 3 | mode: switch

`cards: He NP | does (S\NP)/(S\NP) | not NEG | speak (S\NP)/NP | English NP`

polarity: He= does↑ not↑ speak↓ English=

flags: -

pairID 4194 | gold: entailment | genre: crowd:downward_monotone

TEST RESULT:

NOTE: important secret ≤ secret

[235] It wasn't a coincidence.

genre: crowd:downward_monotone | pairs: 4 | mode: switch

`cards: It NP | was (S\NP)/NP | not NEG | a NP/N | coincidence N`

polarity: It= was↓ not↑ a↓ coincidence↓

flags: -

pairID 1590 | gold: entailment | genre: crowd:downward_monotone

H: It wasn't a coincidence at all.

TEST RESULT:

NOTE: coincidence at all ≤ coincidence

pairID 1591 | gold: entailment | genre: crowd:downward_monotone

H: It wasn't a good coincidence.

TEST RESULT:

NOTE: good coincidence ≤ coincidence

pairID 1593 | gold: entailment | genre: crowd:downward_monotone
H: It wasn't a coincidence there.

TEST RESULT:

NOTE: coincidence there ≤ coincidence

pairID 1594 | gold: entailment | genre: crowd:downward_monotone
H: It wasn't an unimportant coincidence.

TEST RESULT:

NOTE: unimportant coincedence ≤ coincedence

[236] It wasn't a joke.

genre: crowd:downward_monotone:lexical_knowledge | pairs: 1 | mode: switch
`cards: It NP | was (S\NP)/NP | not NEG | a NP/N | joke N`
polarity: It= was↓ not↑ a↓ joke↓
flags: -

pairID 1796 | gold: entailment | genre: crowd:downward_monotone:lexical_knowledge
H: It wasn't a prank.

TEST RESULT:

NOTE: prank ≤ joke

[237] It wasn't a permission.

genre: crowd:downward_monotone | pairs: 2 | mode: switch
`cards: It NP | was (S\NP)/NP | not NEG | a NP/N | permission N`
polarity: It= was↓ not↑ a↓ permission↓
flags: -

pairID 3929 | gold: entailment | genre: crowd:downward_monotone
H: It wasn't a permission from her father.

TEST RESULT:

NOTE: permission from her Father ≤ permission

pairID 3930 | gold: entailment | genre: crowd:downward_monotone:disjunction
H: It wasn't a permission or consent.

TEST RESULT: issue with "or" !!

NOTE: permission ≤ permission or consent

[238] Jack doesn't drive fast.

genre: crowd:upward_monotone:anaphora | pairs: 1 | mode: switch

`cards: Jack NP | does (S\NP)/(S\NP) | not NEG | drive S\NP | fast (S\NP)\(S\NP)`

polarity 1: Jack= does↑ not↑ drive↓ fast↓

polarity 2: Jack= does↑ not↑ drive↓ fast↑

flags: MULTI-READING

pairID 137 | gold: neutral | genre: crowd:upward_monotone:anaphora

H: That man doesn't drive fast.

TEST RESULT:

NOTE: Jack ⊈ ⊉ That man

[239] Juan can't help me.

genre: crowd:upward_monotone:conjunction | pairs: 2 | mode: switch

`cards: Juan NP | can (S\NP)/(S\NP) | not NEG | help (S\NP)/NP | me NP`

polarity: Juan= can↑ not↑ help↓ me=

flags: -

pairID 282 | gold: neutral | genre: crowd:upward_monotone:conjunction

H: Juan and his friends can't help me.

TEST RESULT:

NOTE: Juan and his friends ≤ Juan

pairID 284 | gold: neutral | genre: crowd:upward_monotone:conjunction

H: Juan and the boys can't help me.

TEST RESULT:

NOTE: Juan and the boys ≤ Juan

[240] She is expecting a child.

genre: crowd:upward_monotone | pairs: 1 | mode: default

`cards: She NP | is (S\NP)/(S[ng]\NP) | expecting (S[ng]\NP)/NP | a NP/N | child N`

polarity: She= is↑ expecting↑ a↑ child↑

flags: -

pairID 399 | gold: neutral | genre: crowd:upward_monotone

H: She is expecting a child after five months.

TEST RESULT:

NOTE: expecting a child after 5 months ≤ expecting a child as VP

[241] She slept for a few hours.

genre: crowd:upward_monotone | pairs: 1 | mode: switch

`cards: She NP | slept S\NP | for ((S\NP)\(S\NP))/NP | a few NP/N | hours N`

polarity: She= slept↑ for↑ a few↑ hours↑

flags: -

pairID 618 | gold: neutral | genre: crowd:upward_monotone

H: She slept for a few dreamless hours.

TEST RESULT:

NOTE: dreamless hours ≤ hours

[242] Some people have no patience.

genre: crowd:downward_monotone:npi | pairs: 2 | mode: default

`cards: Some NP/N | people N | have (S\NP)/NP | no NP/N | patience N`

polarity: Some↑ people↑ have↓ no↑ patience↓

flags: -

pairID 2984 | gold: entailment | genre: crowd:downward_monotone:npi

H: Some people have no patience at all.

TEST RESULT:

NOTE: patience at all ≤ patience

pairID 2985 | gold: entailment | genre: crowd:downward_monotone

H: Some people have no patience about money.

TEST RESULT:

NOTE: patience about money ≤ patience

[243] That boy showed no fear.

genre: crowd:upward_monotone:lexical_knowledge | pairs: 4 | mode: default

`cards: That NP/N | boy N | showed (S\NP)/NP | no NP/N | fear N`

polarity: That↑ boy= showed↓ no↑ fear↓

flags: -

pairID 448 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: That player giving a home run without fear showed no fear.

TEST RESULT:

NOTE: That player . . . . without fear ≤ That boy

pairID 1980 | gold: entailment | genre: crowd:downward_monotone

H: That boy showed no grain of fear.

TEST RESULT:

NOTE: grain of fear ≤ fear

pairID 1981 | gold: entailment | genre: crowd:downward_monotone:npi

H: That boy showed no fear of anything.

TEST RESULT:

NOTE: fear of anything ≤ fear

pairID 1982 | gold: entailment | genre: crowd:downward_monotone

H: That boy showed no noticeable fear.

TEST RESULT:

NOTE: noticeable fear ≤ fear

[244] The hunter shot a fox.

genre: crowd:upward_monotone:lexical_knowledge | pairs: 5 | mode: switch

`cards: The NP/N | hunter N | shot (S\NP)/NP | a NP/N | fox N`

polarity: The↑ hunter= shot↑ a↑ fox↑

flags: -

pairID 1073 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: The hunter shot a deer.

TEST RESULT:

NOTE: deer ⊈ ⊉ fox

pairID 1074 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: The hunter shot a bear.

TEST RESULT:

NOTE: bear ⊈ ⊉ fox

pairID 1075 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: The hunter shot a rabbit.

TEST RESULT:

NOTE: rabbit ⊈ ⊉ fox

pairID 1076 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: The hunter shot a partridge.

TEST RESULT: _____

NOTE: partridge ⊈ ⊉ fox

pairID 1077 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: The hunter shot a widgeon.

TEST RESULT: _____

NOTE: widgeon ⊈ ⊉ fox

[245] The moon has no atmosphere.

genre: crowd:downward_monotone:conjunction | pairs: 1 | mode: default

`cards: The NP/N | moon N | has (S\NP)/NP | no NP/N | atmosphere N`

polarity: The↑ moon= has↓ no↑ atmosphere↓

flags: -

pairID 2406 | gold: entailment | genre: crowd:downward_monotone:conjunction

H: The moon has no atmosphere, and the gravity force is too low.

TEST RESULT: _____

NOTE: S and s ≤ S

this can be decided via knowledge base but still not general entailment

[246] The ship left every monday.

genre: crowd:downward_monotone:disjunction | pairs: 1 | mode: switch

`cards: The NP/N | ship N | left (S\NP)/NP | every NP/N | monday N`

polarity: The↑ ship= left↑ every↑ monday↓

flags: -

pairID 4144 | gold: entailment | genre: crowd:downward_monotone:disjunction

H: The ship left every Monday evening or afternoon.

TEST RESULT: _____

NOTE: Monday evening or afternoon ≤ Monday

[247] They eat a lot of black rice.

genre: crowd:upward_monotone | pairs: 1 | mode: default

`cards: They NP | eat (S\NP)/NP | a lot of NP/N | black N/N | rice N`

polarity: They= eat↑ a lot of↑ black↑ rice↑

flags: -

pairID 964 | gold: entailment | genre: crowd:upward_monotone

H: They eat a lot of rice.

TEST RESULT:

NOTE: black rice ≤ rice

[248] They eat a lot of fried rice.

genre: crowd:upward_monotone | pairs: 1 | mode: default

`cards: They NP | eat (S\NP)/NP | a lot of NP/N | fried N/N | rice N`

polarity: They= eat↑ a lot of↑ fried↑ rice↑

flags: -

pairID 962 | gold: entailment | genre: crowd:upward_monotone

H: They eat a lot of rice.

TEST RESULT:

NOTE: fried rice ≤ rice

[249] They're digging a hole.

genre: crowd:upward_monotone | pairs: 3 | mode: default

`cards: they NP | are (S\NP)/(S[ng]\NP) | digging (S[ng]\NP)/NP | a NP/N | hole N`

polarity: they= are↑ digging↑ a↑ hole↑

flags: -

pairID 227 | gold: neutral | genre: crowd:upward_monotone

H: They're digging a hole in the park.

TEST RESULT:

NOTE: hole in the park ≤ hole

pairID 229 | gold: neutral | genre: crowd:upward_monotone

H: They're digging a huge hole.

TEST RESULT:

NOTE: huge hole ≤ hole

pairID 231 | gold: neutral | genre: crowd:upward_monotone

H: They're digging a big hole in school.

TEST RESULT:

NOTE: hole in school ≤ hole

[250] This letter bears no signature.

genre: crowd:downward_monotone | pairs: 1 | mode: default

`cards: This NP/N | letter N | bears (S\NP)/NP | no NP/N | signature N`

polarity: This↑ letter= bears↓ no↑ signature↓

flags: -

pairID 3910 | gold: entailment | genre: crowd:downward_monotone

H: This letter bears no signature here.

TEST RESULT:

NOTE: signature here ≤ signature

[251] This plan has no flaws.

genre: crowd:downward_monotone | pairs: 2 | mode: default

`cards: This NP/N | plan N | has (S\NP)/NP | no NP/N | flaws N`

polarity: This↑ plan= has↓ no↑ flaws↓

flags: -

pairID 3413 | gold: entailment | genre: crowd:downward_monotone

H: This plan has no major flaws.

TEST RESULT:

NOTE: major flaws ≤ flaws

pairID 3415 | gold: entailment | genre: crowd:downward_monotone

H: This plan has no obvious flaws.

TEST RESULT:

NOTE: obvious flaws ≤ flaws

[252] This sentence has no authors.

genre: crowd:downward_monotone | pairs: 4 | mode: default

`cards: This NP/N | sentence N | has (S\NP)/NP | no NP/N | authors N`

polarity: This↑ sentence= has↓ no↑ authors↓

flags: -

pairID 2683 | gold: entailment | genre: crowd:downward_monotone

H: This sentence has no recongnizable authors.

TEST RESULT:

NOTE: recognizable author ≤ author

pairID 2684 | gold: entailment | genre: crowd:downward_monotone

H: This sentence has no legitimate authors.

TEST RESULT:

NOTE: legitimate author ≤ author

pairID 2685 | gold: entailment | genre: crowd:downward_monotone:disjunction

H: This sentence has no writers or authors.

TEST RESULT: issue with or!

NOTE: author ≤ writer or author

pairID 2686 | gold: entailment | genre: crowd:downward_monotone

H: This sentence has no certified authors.

TEST RESULT:

NOTE: certified author ≤ author

[253] This soup has no substance.

genre: crowd:downward_monotone:lexical_knowledge | pairs: 5 | mode: default

`cards: This NP/N | soup N | has (S\NP)/NP | no NP/N | substance N`

polarity: This↑ soup= has↓ no↑ substance↓

flags: -

pairID 1905 | gold: entailment | genre: crowd:downward_monotone:lexical_knowledge

H: This soup has no vegetable.

TEST RESULT:

NOTE: vegetable ≤ substance

pairID 1907 | gold: entailment | genre: crowd:downward_monotone:disjunction

H: This soup has no substance or consistency.

issue with or!!!

TEST RESULT:

NOTE: substance ≤ substance or consistency

pairID 1908 | gold: entailment | genre: crowd:downward_monotone

H: This soup has no substance to enhance flavor.

TEST RESULT:

NOTE: substance to enhance flavor ≤ substance

pairID 1910 | gold: entailment | genre: crowd:downward_monotone

H: This soup has no hard substance.

TEST RESULT:

NOTE: hard substance ≤ substance

pairID 1912 | gold: entailment | genre: crowd:downward_monotone

H: This soup has no nutritious substance.

TEST RESULT:

NOTE: nutritious substance ≤ substance

[254] This soup has no vegetable.

genre: crowd:downward_monotone:lexical_knowledge | pairs: 1 | mode: default

`cards: This NP/N | soup N | has (S\NP)/NP | no NP/N | vegetable N`

polarity: This↑ soup= has↓ no↑ vegetable↓

flags: -

pairID 1906 | gold: neutral | genre: crowd:downward_monotone:lexical_knowledge

H: This soup has no substance.

TEST RESULT:

NOTE: vegetable ≤ substance

[255] This tire needs some air.

genre: crowd:upward_monotone:lexical_knowledge | pairs: 3 | mode: switch

cards: This NP/N | tire N | needs (S\NP)/NP | some NP/N | air N

polarity: This↑ tire= needs↑ some↑ air↑

flags: -

pairID 527 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: This tire needs some oxygen.

TEST RESULT:

NOTE: oxygen ≤ air

pairID 528 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: This tire needs some of the spirit.

TEST RESULT:

NOTE: spirit ∤ ∌ air

pairID 529 | gold: neutral | genre: crowd:upward_monotone:conjunction

H: This tire needs some work and some air.

TEST RESULT:

NOTE: some work and some air ≤ some air

[256] Tom is dialling a number.

genre: crowd:upward_monotone | pairs: 2 | mode: default

cards: Tom NP | is (S\NP)/(S[ng]\NP) | dialling (S[ng]\NP)/NP | a NP/N | number N

polarity: Tom= is↑ dialling↑ a↑ number↑

flags: -

pairID 1104 | gold: neutral | genre: crowd:upward_monotone

H: Tom is dialling a local emergency number.

TEST RESULT:

NOTE: local emergency number ≤ number

pairID 1106 | gold: neutral | genre: crowd:upward_monotone

H: Tom is dialling a police hotline number.

TEST RESULT:

NOTE: police hotline number ≤ number

[257] Tom is drinking a beer.

genre: crowd:upward_monotone | pairs: 4 | mode: switch

cards: Tom NP | is (S\NP)/(S[ng]\NP) | drinking (S[ng]\NP)/NP | a NP/N | beer N

polarity: Tom= is↑ drinking↑ a↑ beer↑

flags: -

pairID 1273 | gold: neutral | genre: crowd:upward_monotone

H: Tom is drinking a beer at carlos's.

TEST RESULT:

NOTE: drinking a beer at carlo's ≤ drinking a beer as VP

pairID 1275 | gold: neutral | genre: crowd:upward_monotone

H: Tom is drinking a rice beer.

TEST RESULT:

NOTE: rice beer ≤ beer

pairID 1277 | gold: neutral | genre: crowd:upward_monotone

H: Tom is drinking a beer made from wheat.

TEST RESULT:

NOTE: beer made from wheat ≤ beer

pairID 1279 | gold: neutral | genre: crowd:upward_monotone

H: Tom is drinking a light beer.

TEST RESULT:

NOTE: light beer ≤ beer

[258] Tom is driving a truck.

genre: crowd:upward_monotone | pairs: 1 | mode: switch

cards: Tom NP | is (S\NP)/(S[ng]\NP) | driving (S[ng]\NP)/NP | a NP/N | truck N

polarity: Tom= is↑ driving↑ a↑ truck↑

flags: -

pairID 233 | gold: neutral | genre: crowd:upward_monotone

H: Tom is driving an old truck.

TEST RESULT:

NOTE: old truck ≤ truck

[259] Tom is memorizing a poem.

genre: crowd:upward_monotone:lexical_knowledge | pairs: 1 | mode: default

`cards: Tom NP | is (S\NP)/(S[ng]\NP) | memorizing (S[ng]\NP)/NP | a NP/N | poem N`

polarity: Tom= is↑ memorizing↑ a↑ poem↑

flags: -

pairID 902 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: Tom is memorizing a book.

TEST RESULT:

NOTE: book ⫋ poem

[260] Tom isn't a criminal.

genre: crowd:downward_monotone | pairs: 4 | mode: switch

`cards: Tom NP | is (S\NP)/NP | not NEG | a NP/N | criminal N`

polarity: Tom= is↓ not↑ a↓ criminal↓

flags: -

pairID 4132 | gold: entailment | genre: crowd:downward_monotone

H: Tom isn't a extortion criminal.

TEST RESULT:

NOTE: extortion criminal ≤ criminal

pairID 4134 | gold: entailment | genre: crowd:downward_monotone

H: Tom isn't a criminal of people.

TEST RESULT:

NOTE: criminal of people ≤ criminal

pairID 4135 | gold: entailment | genre: crowd:downward_monotone

H: Tom isn't a habitual criminal.

TEST RESULT:

NOTE: habitual criminal ≤ criminal

pairID 4137 | gold: entailment | genre: crowd:downward_monotone

H: Tom isn't a person of criminal background.

TEST RESULT:

NOTE: person of criminal background ≤ criminal

[261] Tom isn't a racist.

genre: crowd:downward_monotone | pairs: 2 | mode: switch

`cards: Tom NP | is (S\NP)/NP | not NEG | a NP/N | racist N`

polarity: Tom= is↓ not↑ a↓ racist↓

flags: -

pairID 3627 | gold: entailment | genre: crowd:downward_monotone

H: Tom isn't an aggressive racist.

TEST RESULT:

NOTE: aggressive racist ≤ racist

pairID 3629 | gold: entailment | genre: crowd:downward_monotone

H: Tom isn't a systemic racist.

TEST RESULT:

NOTE: systemic racist ≤ racist

[262] Tom seldom wears a hat.

genre: crowd:downward_monotone | pairs: 2 | mode: default

`cards: Tom NP | seldom (S\NP)/(S\NP) | wears (S\NP)/NP | a NP/N | hat N`

polarity: Tom= seldom↑ wears↓ a↓ hat↓

flags: -

pairID 1415 | gold: entailment | genre: crowd:downward_monotone

H: Tom seldom wears a big hat.

TEST RESULT:

NOTE: big hat ≤ hat

pairID 1417 | gold: entailment | genre: crowd:downward_monotone

H: Tom seldom wears a black cowboy hat.

TEST RESULT:

NOTE: black cowboy hat ≤ hat

[263] We'll order a pizza.

genre: crowd:upward_monotone:conjunction | pairs: 1 | mode: switch

`cards: we NP | will (S\NP)/(S\NP) | order (S\NP)/NP | a NP/N | pizza N`

polarity: we= will↑ order↑ a↑ pizza↑

flags: -

pairID 1125 | gold: neutral | genre: crowd:upward_monotone:conjunction

H: We'll order a pizza and a soda.

TEST RESULT:

NOTE: a pizza and a soda ≤ a pizza

[264] You don't speak English.

genre: crowd:downward_monotone | pairs: 3 | mode: switch

`cards: You NP | do (S\NP)/(S\NP) | not NEG | speak (S\NP)/NP | English NP`

polarity: You= do↑ not↑ speak↓ English=

flags: -

pairID 2743 | gold: entailment | genre: crowd:downward_monotone

H: You don't speak fluent English.

TEST RESULT:

NOTE: speak Fluent English ≤ speak English as VP

pairID 2745 | gold: neutral | genre: crowd:downward_monotone:conjunction

H: You don't speak English and Japanese.

TEST RESULT:

NOTE: speak English and Japanese ≤ speak English as VP

pairID 2747 | gold: entailment | genre: crowd:downward_monotone

H: You don't speak proper English.

TEST RESULT:

NOTE: speak proper English ≤ speak English as VP

[265] A doe is a female deer.

genre: crowd:upward_monotone | pairs: 2 | mode: switch

`cards: A NP/N | doe N | is (S\NP)/NP | a NP/N | female N/N | deer N`

polarity: A↑ doe↑ is↑ a↑ female↑ deer↑

flags: GENERIC-A?

pairID 440 | gold: neutral | genre: crowd:upward_monotone

H: A doe is a female white deer.

TEST RESULT: ✓

NOTE: white deer ≤ deer

pairID 713 | gold: neutral | genre: crowd:upward_monotone

H: A forest doe is a female deer.

TEST RESULT: ✓

NOTE: forest doe ≤ doe

[266] A wolf can not be tamed.

genre: crowd:upward_monotone:disjunction | pairs: 1 | mode: switch

`cards: A NP/N | wolf N | can (S\NP)/(S\NP) | not NEG | be (S\NP)/(S[pss]\NP) | tamed S[pss]\NP`

polarity: A↑ wolf↑ can↑ not↑ be↓ tamed↓

flags: GENERIC-A?

pairID 744 | gold: neutral | genre: crowd:upward_monotone:disjunction

H: A wolf or a bear can not be tamed.

TEST RESULT: ✗

NOTE: a wolf ≤ a wolf or a bear

we assume existential "a" but the sentence is about generic "a"

"every↑ wolf↓ ..." would work!

[267] All citizens should respect the law.

genre: crowd:downward_monotone | pairs: 1 | mode: switch

`cards: All NP/N | citizens N | should (S\NP)/(S\NP) | respect (S\NP)/NP | the NP/N | law N`

polarity: All↑ citizens↓ should↑ respect↑ the↑ law=

flags: -

pairID 3587 | gold: entailment | genre: crowd:downward_monotone

H: All young citizens should respect the law.

TEST RESULT: ✓

NOTE: young citizen ≤ citizen

[268] Brian bought a lipstick for Kate.

genre: crowd:upward_monotone | pairs: 7 | mode: default

cards: Brian NP | bought (S\NP)/NP | a NP/N | lipstick N | for (N\N)/NP | Kate NP

polarity: Brian= bought↑ a↑ lipstick↑ for↑ Kate=

flags: -

pairID 196 | gold: neutral | genre: crowd:upward_monotone

H: Brian bought a lipstick for his sister Kate.

TEST RESULT:

NOTE: lipstick for his sister Kate ≤ lipstick for Kate as N

pairID 198 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: Brian bought a lipstick for his wife.

TEST RESULT:

NOTE: lipstick for his wife ⫋ ⫌ lipstick for Kate

pairID 199 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: Brian bought a lipstick for his partner.

TEST RESULT:

NOTE: lipstick for his partner ⫋ ⫌ lipstick for Kate

pairID 548 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: Brian bought a spoon for Kate.

TEST RESULT:

NOTE: spoon for Kate ⫋ ⫌ lipstick for Kate

pairID 549 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: Brian bought a makeup kit for his girlfriend.

TEST RESULT:

NOTE: makeup kit for his girlfriend ⫋ ⫌ lipstick for Kate

pairID 550 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: Brian bought a lip's balsam for Mary.

TEST RESULT:

NOTE: lip's balsom for Mary ⫋ ⫌ lipstick for Kate

pairID 551 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: Brian bought a rouge for Kate.

TEST RESULT:

NOTE: rouge for Kate ⊈ ⊉ lipstick for Kate

[269] Chris didn't have a car.

genre: crowd:downward_monotone | pairs: 4 | mode: default

`cards: Chris NP | did (S\NP)/(S\NP) | not NEG | have (S\NP)/NP | a NP/N | car N`

polarity: Chris= did↑ not↑ have↓ a↓ car↓

flags: -

pairID 1358 | gold: entailment | genre: crowd:downward_monotone

H: Chris didn't have a blue colored car.

TEST RESULT:

NOTE: blue colored car ≤ car

pairID 1360 | gold: entailment | genre: crowd:downward_monotone

H: Chris didn't have a beautiful car.

TEST RESULT:

NOTE: beatiful car ≤ car

pairID 1362 | gold: entailment | genre: crowd:downward_monotone

H: Chris didn't have a fast car.

TEST RESULT:

NOTE: fast car ≤ car

pairID 1364 | gold: entailment | genre: crowd:downward_monotone

H: Chris didn't have a proper car for that kind of driving.

TEST RESULT:

NOTE: proper car (for that ...) ≤ car

[270] Dan didn't use a mobile.

genre: crowd:upward_monotone:lexical_knowledge | pairs: 3 | mode: default

`cards: Dan NP | did (S\NP)/(S\NP) | not NEG | use (S\NP)/NP | a NP/N | mobile N`

polarity: Dan= did↑ not↑ use↓ a↓ mobile↓

flags: -

pairID 445 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: Dan's father didn't use a mobile.

TEST RESULT:

NOTE: Dan's father ⊈ ⊉ Dan

pairID 446 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: Nick didn't use a mobile.

TEST RESULT:

NOTE: Nick ⊈ ⊉ Dan

pairID 447 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: Alex didn't use a mobile.

TEST RESULT:

NOTE: Alex ⊈ ⊉ Dan

[271] Dan didn't use a phone.

genre: crowd:downward_monotone | pairs: 3 | mode: default

`cards: Dan NP | did (S\NP)/(S\NP) | not NEG | use (S\NP)/NP | a NP/N | phone N`

polarity: Dan= did↑ not↑ use↓ a↓ phone↓

flags: -

pairID 3087 | gold: entailment | genre: crowd:downward_monotone

H: Dan didn't use a mobile phone.

TEST RESULT:

NOTE: mobile phone ⊆ phone

pairID 3089 | gold: entailment | genre: crowd:downward_monotone

H: Dan didn't use a harmful radiating mobile phone.

TEST RESULT:

NOTE: harmful ... phone ⊆ phone

pairID 3091 | gold: entailment | genre: crowd:downward_monotone

H: Dan didn't use a black mobile phone.

TEST RESULT:

NOTE: black mobile phone ≤ phone

[272] He can't make a decision.

genre: crowd:downward_monotone | pairs: 7 | mode: default

`cards: He NP | can (S\NP)/(S\NP) | not NEG | make (S\NP)/NP | a NP/N | decision N`

polarity: He= can↑ not↑ make↓ a↓ decision↓

flags: -

pairID 1707 | gold: entailment | genre: crowd:downward_monotone

H: He can't make a lasting decision.

TEST RESULT:

NOTE: lasting decision ≤ decision

pairID 1708 | gold: entailment | genre: crowd:downward_monotone

H: He can't make a definite decision.

TEST RESULT:

NOTE: definite decision ≤ decision

pairID 1710 | gold: entailment | genre: crowd:downward_monotone

H: He can't make a final decision.

TEST RESULT:

NOTE: final decision ≤ decision

pairID 1712 | gold: entailment | genre: crowd:downward_monotone

H: He can't make a decision that matters.

TEST RESULT:

NOTE: decision that matters ≤ decision

pairID 1713 | gold: entailment | genre: crowd:downward_monotone

H: He can't make a decision beneficial for the company.

TEST RESULT:

NOTE: decision - - company ≤ decision

pairID 1715 | gold: entailment | genre: crowd:downward_monotone

H: He can't make a wise decision.

TEST RESULT:

NOTE: wise decision ≤ decision

pairID 1717 | gold: entailment | genre: crowd:downward_monotone

H: He can't make a proper decision.

TEST RESULT:

NOTE: proper decision ≤ decision

[273] He can't take a joke.

genre: crowd:downward_monotone:npi | pairs: 2 | mode: default

`cards: He NP | can (S\NP)/(S\NP) | not NEG | take (S\NP)/NP | a NP/N | joke N`

polarity: He= can↑ not↑ take↓ a↓ joke↓

flags: -

pairID 3418 | gold: entailment | genre: crowd:downward_monotone:npi

H: He can't take a good joke ever.

TEST RESULT:

NOTE: good joke ever ≤ joke

pairID 3420 | gold: entailment | genre: crowd:downward_monotone

H: He can't take a heavy joke.

TEST RESULT:

NOTE: heavy joke ≤ joke

[274] He didn't say a word.

genre: crowd:downward_monotone | pairs: 1 | mode: switch

`cards: He NP | did (S\NP)/(S\NP) | not NEG | say (S\NP)/NP | a NP/N | word N`

polarity: He= did↑ not↑ say↓ a↓ word↓

flags: -

pairID 4052 | gold: entailment | genre: crowd:downward_monotone

H: He didn't say a word at the meeting.

TEST RESULT:

NOTE: say (...) at the meeting ≤ say (...)

[275] He doesn't have a computer.

genre: crowd:downward_monotone | pairs: 1 | mode: default

cards: He NP | does (S\NP)/(S\NP) | not NEG | have (S\NP)/NP | a NP/N | computer N

polarity: He= does↑ not↑ have↓ a↓ computer↓

flags: -

pairID 1413 | gold: entailment | genre: crowd:downward_monotone

H: He doesn't have a desktop computer.

TEST RESULT:

NOTE: desktop computer ≤ computer

[276] He doesn't have a family.

genre: crowd:downward_monotone | pairs: 2 | mode: default

cards: He NP | does (S\NP)/(S\NP) | not NEG | have (S\NP)/NP | a NP/N | family N

polarity: He= does↑ not↑ have↓ a↓ family↓

flags: -

pairID 1792 | gold: entailment | genre: crowd:downward_monotone

H: He doesn't have a normal family.

TEST RESULT:

NOTE: normal family ≤ family

pairID 1794 | gold: entailment | genre: crowd:downward_monotone

H: He doesn't have a supportive family.

TEST RESULT:

NOTE: supportive family ≤ family

[277] He has never told a lie.

genre: crowd:downward_monotone | pairs: 3 | mode: switch

cards: He NP | has (S\NP)/(S\NP) | never (S\NP)/(S\NP) | told (S\NP)/NP | a NP/N | lie N

polarity: He= has↑ never↑ told↓ a↓ lie↓

flags: -

pairID 3581 | gold: entailment | genre: crowd:downward_monotone

H: He has never told a lie from his mouth.

TEST RESULT:

NOTE: lie from his mouth ≤ lie

pairID 3582 | gold: entailment | genre: crowd:downward_monotone

H: He has never told a lie in his life.

TEST RESULT:

NOTE: told(...) in his life ⊆ told(...)

pairID 3583 | gold: entailment | genre: crowd:downward_monotone

H: He has never told a white lie.

TEST RESULT:

NOTE: white lie ⊆ lie

[278] He is suffering from a cold.

genre: crowd:upward_monotone:lexical_knowledge | pairs: 1 | mode: switch

`cards: He NP | is (S\NP)/(S[ng]\NP) | suffering S[ng]\NP | from ((S\NP)\(S\NP))/NP | a NP/N | cold N`

polarity: He= is↑ suffering↑ from↑ a↑ cold↑

flags: -

pairID 1084 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: He is suffering from a chill.

TEST RESULT:

NOTE: chill ⊈ ⊉ cold

[279] He spent a few months in Scotland.

genre: crowd:upward_monotone:lexical_knowledge | pairs: 5 | mode: default

`cards: He NP | spent (S\NP)/NP | a few NP/N | months N | in (N\N)/NP | Scotland NP`

polarity: He= spent↑ a few↑ months↑ in↑ Scotland=

flags: -

pairID 215 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: He spent a few months in wales.

TEST RESULT:

NOTE: in wales ⊈ ⊉ in Scotland as PP

pairID 216 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: He spent a few months in madrid.

TEST RESULT:

NOTE: in madrid ⊈ ⊉ in Scotland as PP

pairID 538 | gold: neutral | genre: crowd:upward_monotone:conjunction

H: He spent a few months of June and July in Scotland.

TEST RESULT:

NOTE: few months of June and July ≤ few months

pairID 540 | gold: neutral | genre: crowd:upward_monotone:conjunction

H: He spent a few months of December and January in Scotland.

TEST RESULT:

NOTE: few months of Dec and Jan ≤ few months

pairID 541 | gold: neutral | genre: crowd:upward_monotone

H: He spent a few months this year in Scotland.

TEST RESULT:

NOTE: few month this year ≤ few months

[280] He took no notice of me.

genre: crowd:downward_monotone:disjunction | pairs: 1 | mode: default

`cards: He NP | took (S\NP)/NP | no NP/N | notice N | of (N\N)/NP | me NP`

polarity: He= took↓ no↑ notice↓ of↓ me=

flags: -

pairID 3018 | gold: neutral | genre: crowd:downward_monotone:disjunction

H: He took no notice of me or my sister.

TEST RESULT:

NOTE: notice of me ≤ notice of me or my sister

[281] I bought a gift for Tom.

genre: crowd:upward_monotone:conjunction | pairs: 1 | mode: default

`cards: I NP | bought (S\NP)/NP | a NP/N | gift N | for (N\N)/NP | Tom NP`

polarity: I= bought↑ a↑ gift↑ for↑ Tom=

flags: -

pairID 1253 | gold: neutral | genre: crowd:upward_monotone:conjunction

H: I bought a gift and some flowers for Tom.

TEST RESULT:

NOTE: a gift and some flowers ≤ a gift

[282] I can't accept that explanation.

genre: crowd:downward_monotone | pairs: 4 | mode: switch

cards: I NP | can (S\NP)/(S\NP) | not NEG | accept (S\NP)/NP | that NP/N | explanation N

polarity: I= can↑ not↑ accept↓ that↓ explanation=

flags: -

pairID 3619 | gold: entailment | genre: crowd:downward_monotone

H: I can't accept that vague explanation.

TEST RESULT:

NOTE:

pairID 3621 | gold: entailment | genre: crowd:downward_monotone

H: I can't accept that explanation your wife gave.

TEST RESULT:

NOTE:

pairID 3623 | gold: entailment | genre: crowd:downward_monotone

H: I can't accept that stereotyped explanation.

TEST RESULT:

NOTE:

pairID 3625 | gold: entailment | genre: crowd:downward_monotone

H: I can't accept that superficial explanation.

TEST RESULT:

NOTE:

"that" is non-monotone on its N argument. The modifier adds a presupposition about the referent, not a narrower set. Gold label is questionable.

refer this as "that-rule"

[283] I can't answer that question.

genre: crowd:downward_monotone | pairs: 5 | mode: switch

cards: I NP | can (S\NP)/(S\NP) | not NEG | answer (S\NP)/NP | that NP/N | question N

polarity: I= can↑ not↑ answer↓ that↓ question=

flags: -

pairID 3382 | gold: entailment | genre: crowd:downward_monotone

H: I can't answer that question because i was banned.

TEST RESULT:

NOTE: comparison is not clear.

pairID 3383 | gold: entailment | genre: crowd:downward_monotone
H: I can't answer that question because i'm not allowed.

TEST RESULT: ?

NOTE: comparison is not clear

pairID 3384 | gold: entailment | genre: crowd:downward_monotone
H: I can't answer that personal question.

TEST RESULT: X

NOTE: that-note!

pairID 3386 | gold: entailment | genre: crowd:downward_monotone
H: I can't answer that annoying question.

TEST RESULT: X

NOTE: that-note!

pairID 3388 | gold: entailment | genre: crowd:downward_monotone
H: I can't answer that stupid question.

TEST RESULT: X

NOTE: that-note!

[284] I can't buy a bike.

genre: crowd:downward_monotone | pairs: 3 | mode: default

`cards: I NP | can (S\NP)/(S\NP) | not NEG | buy (S\NP)/NP | a NP/N | bike N`

polarity: I= can↑ not↑ buy↓ a↓ bike↓

flags: -

pairID 1331 | gold: entailment | genre: crowd:downward_monotone
H: I can't buy a bike too expensive.

TEST RESULT: ✓

NOTE: bike too expensive ≤ bike

pairID 1333 | gold: entailment | genre: crowd:downward_monotone
H: I can't buy a blue big bike.

TEST RESULT: ✓

NOTE: blue big bike ≤ bike

pairID 1335 | gold: entailment | genre: crowd:downward_monotone
H: I can't buy a new bike of my dream.

TEST RESULT:

NOTE: new bike of my dream ≤ bike

[285] I can't draw a bird.

genre: crowd:downward_monotone:lexical_knowledge | pairs: 1 | mode: default

`cards: I NP | can (S\NP)/(S\NP) | not NEG | draw (S\NP)/NP | a NP/N | bird N`

polarity: I= can↑ not↑ draw↓ a↓ bird↓

flags: -

pairID 3006 | gold: entailment | genre: crowd:downward_monotone:lexical_knowledge
H: I can't draw a birdie.

TEST RESULT:

NOTE: birdie ≤ bird

[286] I can't remember everyone.

genre: crowd:downward_monotone:lexical_knowledge | pairs: 2 | mode: default

`cards: I NP | can (S\NP)/(S\NP) | not NEG | remember (S\NP)/NP | every NP/N | one N`

polarity: I= can↑ not↑ remember↓ every↓ one↑

flags: -

pairID 2303 | gold: entailment | genre: crowd:downward_monotone:lexical_knowledge
H: I can't remember everybody.

TEST RESULT:

NOTE: everybody = everyone

pairID 2304 | gold: entailment | genre: crowd:downward_monotone
H: I can't remember all of them.

TEST RESULT:

NOTE: all of them ≤ everyone

[287] I didn't know that song.

genre: crowd:downward_monotone | pairs: 2 | mode: default

`cards: I NP | did (S\NP)/(S\NP) | not NEG | know (S\NP)/NP | that NP/N | song N`

polarity: I= did↑ not↑ know↓ that↓ song=

flags: -

pairID 3716 | gold: entailment | genre: crowd:downward_monotone

H: I didn't know that long dreary song.

TEST RESULT: X

NOTE: that-note !

pairID 3718 | gold: entailment | genre: crowd:downward_monotone:conjunction

H: I didn't know that song and who sings it.

TEST RESULT: X

NOTE: that-note !

[288] I don't have a bicycle.

genre: crowd:downward_monotone | pairs: 1 | mode: default

`cards: I NP | do (S\NP)/(S\NP) | not NEG | have (S\NP)/NP | a NP/N | bicycle N`

polarity: I= do↑ not↑ have↓ a↓ bicycle↓

flags: -

pairID 2788 | gold: entailment | genre: crowd:downward_monotone

H: I don't have a racing bicycle.

TEST RESULT: ✓

NOTE: a racing bicycle ⊆ a bicycle

[289] I don't have a choice.

genre: crowd:downward_monotone:lexical_knowledge | pairs: 3 | mode: default

`cards: I NP | do (S\NP)/(S\NP) | not NEG | have (S\NP)/NP | a NP/N | choice N`

polarity: I= do↑ not↑ have↓ a↓ choice↓

flags: -

pairID 1351 | gold: entailment | genre: crowd:downward_monotone:lexical_knowledge

H: I don't have a option.

TEST RESULT: ✓

NOTE: an option = a choice

pairID 1352 | gold: entailment | genre: crowd:downward_monotone:conjunction

H: I don't have a choice and rights.

TEST RESULT:

NOTE: a choice and rights ≤ a choice

pairID 1354 | gold: entailment | genre: crowd:downward_monotone:lexical_knowledge

H: I don't have an opportunity.

TEST RESULT:

NOTE: an opportunity ≤ a choice

[290] I don't have a clue.

genre: crowd:downward_monotone | pairs: 5 | mode: default

`cards: I NP | do (S\NP)/(S\NP) | not NEG | have (S\NP)/NP | a NP/N | clue N`

polarity: I= do↑ not↑ have↓ a↓ clue↓

flags: -

pairID 4069 | gold: entailment | genre: crowd:downward_monotone

H: I don't have a genuine clue.

TEST RESULT:

NOTE: a genuine clue ≤ a clue

pairID 4070 | gold: entailment | genre: crowd:downward_monotone

H: I don't have a clue to offer you to proceed.

TEST RESULT:

NOTE: a clue to offer you to proceed ≤ a clue

pairID 4071 | gold: entailment | genre: crowd:downward_monotone:disjunction

H: I don't have a clue or idea.

TEST RESULT: X issue with "or"

NOTE: a clue ≤ a clue or idea

pairID 4072 | gold: entailment | genre: crowd:downward_monotone

H: I don't have a clue about it.

TEST RESULT:

NOTE: a clue about it ≤ a clue

pairID 4073 | gold: entailment | genre: crowd:downward_monotone

H: I don't have a single clue.

TEST RESULT:

NOTE: a single clue ≤ a clue

[291] I don't have a fever.

genre: crowd:downward_monotone | pairs: 1 | mode: default

`cards: I NP | do (S\NP)/(S\NP) | not NEG | have (S\NP)/NP | a NP/N | fever N`

polarity: I= do↑ not↑ have↓ a↓ fever↓

flags: -

pairID 4077 | gold: entailment | genre: crowd:downward_monotone

H: I don't have a high fever.

TEST RESULT:

NOTE: a high fever ≤ a fever

[292] I don't have a home.

genre: crowd:downward_monotone | pairs: 4 | mode: default

`cards: I NP | do (S\NP)/(S\NP) | not NEG | have (S\NP)/NP | a NP/N | home N`

polarity: I= do↑ not↑ have↓ a↓ home↓

flags: -

pairID 3704 | gold: entailment | genre: crowd:downward_monotone

H: I don't have a nice home.

TEST RESULT:

NOTE: a nice home ≤ a home

pairID 3706 | gold: entailment | genre: crowd:downward_monotone

H: I don't have a beautiful home.

TEST RESULT:

NOTE: a beatiful home ≤ a home

pairID 3708 | gold: entailment | genre: crowd:downward_monotone

H: I don't have a home nearby.

TEST RESULT:

NOTE: a home nearby ≤ a home

pairID 3710 | gold: entailment | genre: crowd:downward_monotone

H: I don't have a comfortable home.

TEST RESULT:

NOTE: a comfortable home ≤ a home

[293] I don't have a knife.

genre: crowd:downward_monotone | pairs: 4 | mode: default

`cards: I NP | do (S\NP)/(S\NP) | not NEG | have (S\NP)/NP | a NP/N | knife N`

polarity: I= do↑ not↑ have↓ a↓ knife↓

flags: -

pairID 4006 | gold: entailment | genre: crowd:downward_monotone

H: I don't have a good knife.

TEST RESULT:

NOTE: a good knife ≤ a knife

pairID 4008 | gold: entailment | genre: crowd:downward_monotone

H: I don't have a meat knife.

TEST RESULT:

NOTE: a meat knife ≤ a knife

pairID 4010 | gold: entailment | genre: crowd:downward_monotone

H: I don't have a new knife.

TEST RESULT:

NOTE: a new knife ≤ a knife

pairID 4012 | gold: entailment | genre: crowd:downward_monotone

H: I don't have a sharp knife.

TEST RESULT:

NOTE: a sharp knife ≤ a knife

[294] I don't have a landline.

genre: crowd:downward_monotone:lexical_knowledge | pairs: 1 | mode: default

`cards: I NP | do (S\NP)/(S\NP) | not NEG | have (S\NP)/NP | a NP/N | landline N`

polarity: I= do↑ not↑ have↓ a↓ landline↓

flags: -

pairID 3466 | gold: entailment | genre: crowd:downward_monotone:lexical_knowledge

H: I don't have a home phone.

TEST RESULT:

NOTE: a home phone ≤ a landline

[295] I don't have a lover.

genre: crowd:downward_monotone | pairs: 2 | mode: default

`cards: I NP | do (S\NP)/(S\NP) | not NEG | have (S\NP)/NP | a NP/N | lover N`

polarity: I= do↑ not↑ have↓ a↓ lover↓

flags: -

pairID 4122 | gold: entailment | genre: crowd:downward_monotone

H: I don't have a young lover.

TEST RESULT:

NOTE: a young lover ≤ a lover

pairID 4124 | gold: entailment | genre: crowd:downward_monotone

H: I don't have a good lover.

TEST RESULT:

NOTE: a good lover ≤ a lover

[296] I don't have a sword.

genre: crowd:downward_monotone | pairs: 4 | mode: default

`cards: I NP | do (S\NP)/(S\NP) | not NEG | have (S\NP)/NP | a NP/N | sword N`

polarity: I= do↑ not↑ have↓ a↓ sword↓

flags: -

pairID 2286 | gold: entailment | genre: crowd:downward_monotone

H: I don't have a real sword.

TEST RESULT:

NOTE: a real sword ≤ a sword

pairID 2288 | gold: entailment | genre: crowd:downward_monotone

H: I don't have an antique sword.

TEST RESULT:

NOTE: an antique sword ≤ a sword

pairID 2290 | gold: entailment | genre: crowd:downward_monotone

H: I don't have a sharp sword.

TEST RESULT:

NOTE: a sharp sword ≤ a sword

pairID 2292 | gold: entailment | genre: crowd:downward_monotone

H: I don't have a polished sword.

TEST RESULT:

NOTE: a polished sword ≤ a sword

[297] I don't have an alibi.

genre: crowd:downward_monotone | pairs: 1 | mode: default

`cards: I NP | do (S\NP)/(S\NP) | not NEG | have (S\NP)/NP | an NP/N | alibi N`

polarity: I= do↑ not↑ have↓ an↓ alibi↓

flags: -

pairID 1678 | gold: entailment | genre: crowd:downward_monotone

H: I don't have an appropriate alibi.

TEST RESULT:

NOTE: an appropriate alibi ≤ an alibi

[298] I don't know a lot of jokes.

genre: crowd:downward_monotone | pairs: 3 | mode: default

`cards: I NP | do (S\NP)/(S\NP) | not NEG | know (S\NP)/NP | a lot of NP/N | jokes N`

polarity: I= do↑ not↑ know↓ a lot of↓ jokes↓

flags: -

pairID 2501 | gold: entailment | genre: crowd:downward_monotone

H: I don't know too much jokes.

TEST RESULT:

NOTE: too much jokes ≤ a lot of jokes

pairID 2752 | gold: entailment | genre: crowd:downward_monotone

H: I don't know a lot of long jokes.

TEST RESULT:

NOTE: long jokes ≤ jokes

pairID 2754 | gold: entailment | genre: crowd:downward_monotone

H: I don't know a lot of interesting jokes.

TEST RESULT:

NOTE: interesting jokes ≤ jokes

[299] I don't like that guy.

genre: crowd:downward_monotone | pairs: 1 | mode: default

`cards: I NP | do (S\NP)/(S\NP) | not NEG | like (S\NP)/NP | that NP/N | guy N`

polarity: I= do↑ not↑ like↓ that↓ guy=

flags: -

pairID 4087 | gold: entailment | genre: crowd:downward_monotone

H: I don't like that arrogant guy.

TEST RESULT:

NOTE: that - note!

[300] I don't like that woman.

genre: crowd:downward_monotone | pairs: 1 | mode: default

`cards: I NP | do (S\NP)/(S\NP) | not NEG | like (S\NP)/NP | that NP/N | woman N`

polarity: I= do↑ not↑ like↓ that↓ woman=

flags: -

pairID 3549 | gold: entailment | genre: crowd:downward_monotone

H: I don't like that strange woman.

TEST RESULT:

NOTE: that - note!

[301] I don't need a lecture.

genre: crowd:downward_monotone | pairs: 3 | mode: switch

`cards: I NP | do (S\NP)/(S\NP) | not NEG | need (S\NP)/NP | a NP/N | lecture N`

polarity: I= do↑ not↑ need↓ a↓ lecture↓

flags: -

pairID 3904 | gold: entailment | genre: crowd:downward_monotone

H: I don't need a great lecture.

TEST RESULT:

NOTE: a great lecture ≤ a lecture

pairID 3906 | gold: entailment | genre: crowd:downward_monotone

H: I don't need a long lecture.

TEST RESULT:

NOTE: a long lecture ≤ a lecture

pairID 3908 | gold: entailment | genre: crowd:downward_monotone

H: I don't need a complicated lecture.

TEST RESULT:

NOTE: a complicated lecture ≤ a lecture

[302] I don't need your beds.

genre: crowd:downward_monotone | pairs: 1 | mode: switch

`cards: I NP | do (S\NP)/(S\NP) | not NEG | need (S\NP)/NP | your NP/N | beds N`

polarity: I= do↑ not↑ need↓ your↓ beds=

flags: -

pairID 1828 | gold: neutral | genre: crowd:downward_monotone

H: I don't need beds.

TEST RESULT:

NOTE: your beds ≤ beds

[303] I don't own a guitar.

genre: crowd:downward_monotone | pairs: 2 | mode: default

`cards: I NP | do (S\NP)/(S\NP) | not NEG | own (S\NP)/NP | a NP/N | guitar N`

polarity: I= do↑ not↑ own↓ a↓ guitar↓

flags: -

pairID 1817 | gold: entailment | genre: crowd:downward_monotone

H: I don't own a twelve-string guitar.

TEST RESULT:

NOTE: a twelve-string guitar ≤ a guitar

pairID 1819 | gold: entailment | genre: crowd:downward_monotone

H: I don't own a decent guitar.

TEST RESULT:

NOTE: a decent guitar ≤ a guitar

[304] I don't want your charity.

genre: crowd:downward_monotone | pairs: 1 | mode: switch

`cards: I NP | do (S\NP)/(S\NP) | not NEG | want (S\NP)/NP | your NP/N | charity N`

polarity: I= do↑ not↑ want↓ your↓ charity=

flags: -

pairID 2034 | gold: neutral | genre: crowd:downward_monotone

H: I don't wantcharity.

TEST RESULT:

NOTE: your charity ≤ charity

[305] I had no friends in Boston.

genre: crowd:upward_monotone:disjunction | pairs: 1 | mode: default

`cards: I NP | had (S\NP)/NP | no NP/N | friends N | in (N\N)/NP | Boston NP`

polarity: I= had↓ no↑ friends↓ in↓ Boston=

flags: -

pairID 1058 | gold: neutral | genre: crowd:upward_monotone:disjunction

H: I had no friends in Boston or Texas.

TEST RESULT:

NOTE: in Boston ≤ in Boston or Texas

either there is a typo or it's an issue with "or"

[306] I have never seen a giraffe.

genre: crowd:downward_monotone | pairs: 6 | mode: switch

`cards: I NP | have (S\NP)/(S\NP) | never (S\NP)/(S\NP) | seen (S\NP)/NP | a NP/N | giraffe N`

polarity: I= have↑ never↑ seen↓ a↓ giraffe↓

flags: -

pairID 3525 | gold: entailment | genre: crowd:downward_monotone

H: I have never seen a big giraffe.

TEST RESULT:

NOTE: a big giraffe ≤ a giraffe

pairID 3527 | gold: entailment | genre: crowd:downward_monotone

H: I have never seen a real giraffe.

TEST RESULT:

NOTE: a real giraffe ≤ a giraffe

pairID 3529 | gold: entailment | genre: crowd:downward_monotone

H: I have never seen a pretty giraffe.

TEST RESULT:

NOTE: a pretty giraffe ≤ a giraffe

pairID 3531 | gold: entailment | genre: crowd:downward_monotone

H: I have never seen a baby giraffe.

TEST RESULT:

NOTE: a baby giraffe ≤ a giraffe

pairID 3533 | gold: entailment | genre: crowd:downward_monotone

H: I have never seen a giraffe in a zoo.

TEST RESULT:

NOTE: a giraffe in a zoo ≤ a giraffe

pairID 3535 | gold: entailment | genre: crowd:downward_monotone:conjunction

H: I have never seen a giraffe and his long neck.

TEST RESULT:

NOTE: a giraffe and his long neck ≤ a giraffe

[307] I ordered a book from London.

TEST RESULT: ✓

NOTE: keep a secret normally ⩽ keep a secret as VP

pairID 3579 | gold: entailment | genre: crowd:downward_monotone

H: She can never keep a full secret.

TEST RESULT: ✓

NOTE: full secret ⩽ secret

[318] She doesn't have a computer.

genre: crowd:downward_monotone | pairs: 1 | mode: default

`cards: She NP | does (S\NP)/(S\NP) | not NEG | have (S\NP)/NP | a NP/N | computer N`

polarity: She= does↑ not↑ have↓ a↓ computer↓

flags: -

pairID 4101 | gold: entailment | genre: crowd:downward_monotone

H: She doesn't have a fast computer.

TEST RESULT: ✓

NOTE: fast computer ⩽ computer

[319] She is holding a red flower.

genre: crowd:upward_monotone:conjunction | pairs: 2 | mode: default

`cards: She NP | is (S\NP)/(S[ng]\NP) | holding (S[ng]\NP)/NP | a NP/N | red N/N | flower N`

polarity: She= is↑ holding↑ a↑ red↑ flower↑

flags: -

pairID 1137 | gold: neutral | genre: crowd:upward_monotone:conjunction

H: She is holding a red and white flower.

TEST RESULT:

NOTE: a red and white flower ⊆ a red flower

pairID 1138 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: She is holding a red scarf.

TEST RESULT:

NOTE: red scarf ⊈ ⊉ red flower

[320] She was clad in a kimono.

genre: crowd:upward_monotone:lexical_knowledge | pairs: 1 | mode: switch

`cards: She NP | was (S\NP)/(S[pss]\NP) | clad S[pss]\NP | in ((S\NP)\(S\NP))/NP | a NP/N | kimono N`

polarity: She= was↑ clad↑ in↑ a↑ kimono↑

flags: -

pairID 240 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: She was clad in a bathrobe.

TEST RESULT:

NOTE: bathrobe ⊈ ⊉ kimono

[321] Some children swim in the ocean.

genre: crowd:upward_monotone:lexical_knowledge | pairs: 1 | mode: switch

`cards: Some NP/N | children N | swim S\NP | in ((S\NP)\(S\NP))/NP | the NP/N | ocean N`

polarity: Some↑ children↑ swim↑ in↑ the↑ ocean=

flags: -

pairID 1054 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: Some young men swim in the ocean.

TEST RESULT:

NOTE: children ⊈ ⊉ young men

[322] Some passengers complained about the service.

genre: crowd:upward_monotone:lexical_knowledge | pairs: 1 | mode: switch

`cards: Some NP/N | passengers N | complained S\NP | about ((S\NP)\(S\NP))/NP | the NP/N | service N`

polarity: Some↑ passengers↑ complained↑ about↑ the↑ service=

flags: -

pairID 554 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: Some mortals complained about the service.

TEST RESULT:

NOTE: passengers ⊄ ⊅ mortals

[323] Susan made a dress for Jill.

genre: crowd:upward_monotone | pairs: 7 | mode: default

`cards: Susan NP | made (S\NP)/NP | a NP/N | dress N | for (N\N)/NP | Jill NP`

polarity: Susan= made↑ a↑ dress↑ for↑ Jill=

flags: -

pairID 595 | gold: neutral | genre: crowd:upward_monotone

H: For the fashion show susan made a dress to show her wit.

TEST RESULT:

NOTE: not a monotonicity comparison

pairID 600 | gold: neutral | genre: crowd:upward_monotone

H: Susan made a long dress for Jill.

TEST RESULT:

NOTE: long dress ≤ dress

pairID 602 | gold: neutral | genre: crowd:upward_monotone

H: Susan made a mini dress for Jill.

TEST RESULT:

NOTE: mini dress ≤ dress

pairID 604 | gold: neutral | genre: crowd:upward_monotone

H: Susan made a long black dress for Jill.

TEST RESULT:

NOTE: long black dress ≤ dress

pairID 1154 | gold: neutral | genre: crowd:upward_monotone

H: Susan made a dress for Jill for her wedding.

TEST RESULT:

NOTE: made ... for her wedding ≤ made ... as VP

pairID 1156 | gold: neutral | genre: crowd:upward_monotone

H: Susan made a dress for Jill to premiere on the day of her friend's wedding.

TEST RESULT:

NOTE: made ... to premiere ... ≤ made ... as VP

pairID 1158 | gold: neutral | genre: crowd:upward_monotone

H: Susan made a dress for Jill for her friend's wedding.

TEST RESULT:

NOTE: made ... for her friend's wedding ≤ made ... as VP

[324] The spider is spinning a web.

genre: crowd:upward_monotone | pairs: 3 | mode: default

`cards: The NP/N | spider N | is (S\NP)/(S[ng]\NP) | spinning (S[ng]\NP)/NP | a NP/N | web N`

polarity: The↑ spider= is↑ spinning↑ a↑ web↑

flags: -

pairID 1093 | gold: neutral | genre: crowd:upward_monotone

H: The spider is spinning a net on the wall of peter's room.

TEST RESULT:

NOTE: a net on the wall of peter's room ≤ a web

pairID 1095 | gold: neutral | genre: crowd:upward_monotone:conjunction

H: The spider is spinning a very large and well-worked network.

TEST RESULT:

NOTE: a very large and well-worked network ≤ a web

pairID 1097 | gold: neutral | genre: crowd:upward_monotone

H: The spider is spinning a thick web.

TEST RESULT:

NOTE: thick web ≤ web

[325] The storm raged for a few days.

genre: crowd:upward_monotone:conjunction | pairs: 1 | mode: switch

`cards: The NP/N | storm N | raged S\NP | for ((S\NP)\(S\NP))/NP | a few NP/N | days N`

polarity: The↑ storm= raged↑ for↑ a few↑ days↑

flags: -

pairID 793 | gold: neutral | genre: crowd:upward_monotone:conjunction

H: The storm raged for several days and ended unexpectedly as it began.

TEST RESULT:

NOTE: raged ... and ended ... ≤ raged .... (actually, not quite comparable)

[326] They don't have a car.

genre: crowd:downward_monotone | pairs: 1 | mode: default

`cards: They NP | do (S\NP)/(S\NP) | not NEG | have (S\NP)/NP | a NP/N | car N`

polarity: They= do↑ not↑ have↓ a↓ car↓

flags: -

pairID 1561 | gold: entailment | genre: crowd:downward_monotone

H: They don't have a decent car.

TEST RESULT:

NOTE: decent car ≤ car

[327] They don't have a choice.

genre: crowd:downward_monotone | pairs: 2 | mode: default

`cards: They NP | do (S\NP)/(S\NP) | not NEG | have (S\NP)/NP | a NP/N | choice N`

polarity: They= do↑ not↑ have↓ a↓ choice↓

flags: -

pairID 3804 | gold: entailment | genre: crowd:downward_monotone

H: They don't have a better choice.

TEST RESULT:

NOTE: better choice ≤ choice

pairID 3806 | gold: entailment | genre: crowd:downward_monotone

H: They don't have a different choice.

TEST RESULT:

NOTE: different choice ≤ choice

[328] This letter bears no signature here.

genre: crowd:downward_monotone | pairs: 1 | mode: default

cards: This NP/N | letter N | bears (S\NP)/NP | no NP/N | signature N | here (N\N)

polarity: This↑ letter= bears↓ no↑ signature↓ here↑↓

flags: -

pairID 3911 | gold: neutral | genre: crowd:downward_monotone

H: This letter bears no signature.

TEST RESULT:

NOTE: signature here ≤ signature

[329] Tom called a cab for me.

genre: crowd:upward_monotone | pairs: 2 | mode: default

cards: Tom NP | called (S\NP)/NP | a NP/N | cab N | for (N\N)/NP | me NP

polarity: Tom= called↑ a↑ cab↑ for↑ me=

flags: -

pairID 878 | gold: neutral | genre: crowd:upward_monotone

H: Tom called a fast cab for me.

TEST RESULT:

NOTE: fast cab ≤ cab

pairID 880 | gold: neutral | genre: crowd:upward_monotone

H: Tom called a cab of elevation for me.

TEST RESULT:

NOTE: cab of elevation ≤ cab

[330] Tom can't drive a car.

cards: Tom NP | can (S\NP)/(S\NP) | not NEG | drive (S\NP)/NP | a NP/N | car N

polarity: Tom= can↑ not↑ drive↓ a↓ car↓

flags: -

pairID 2464 | gold: entailment | genre: crowd:downward_monotone:lexical_knowledge

H: Tom can't drive an automobile.

TEST RESULT:

NOTE: car ≡ automobile

pairID 2465 | gold: entailment | genre: crowd:downward_monotone:lexical_knowledge

H: Tom can't drive an auto.

TEST RESULT:

NOTE: car ≡ auto

pairID 2466 | gold: entailment | genre: crowd:downward_monotone:lexical_knowledge

H: Tom can't drive a motor vehicle.

TEST RESULT: MED problem!

NOTE: car ≤ motor vehicle

[331] Tom can't ride a bicycle.

genre: crowd:downward_monotone:reverse | pairs: 3 | mode: default

`cards: Tom NP | can (S\NP)/(S\NP) | not NEG | ride (S\NP)/NP | a NP/N | bicycle N`

polarity: Tom= can↑ not↑ ride↓ a↓ bicycle↓

flags: -

pairID 1338 | gold: entailment | genre: crowd:downward_monotone:reverse

H: Tom can't ride a bicycle that can not be mounted by jim.

TEST RESULT:

NOTE: a bicycle that ... ≤ a bicycle

pairID 1340 | gold: entailment | genre: crowd:downward_monotone:reverse

H: Tom can't ride a bicycle without brakes.

TEST RESULT:

NOTE: a bicycle without brakes ≤ a bicycle

pairID 1341 | gold: entailment | genre: crowd:downward_monotone

H: Tom can't ride a very old bicycle.

TEST RESULT:

NOTE: a very old bicycle ≤ a bicycle

[332] Tom couldn't find a job.

genre: crowd:downward_monotone | pairs: 5 | mode: default

cards: Tom NP | could (S\NP)/(S\NP) | not NEG | find (S\NP)/NP | a NP/N | job N

polarity: Tom= could↑ not↑ find↓ a↓ job↓

flags: -

pairID 2208 | gold: entailment | genre: crowd:downward_monotone

H: Tom couldn't find a decent job.

TEST RESULT:

NOTE: decent job ≤ job

pairID 2210 | gold: entailment | genre: crowd:downward_monotone

H: Tom couldn't find a job that he loves.

TEST RESULT:

NOTE: job that he loves ≤ job

pairID 2212 | gold: entailment | genre: crowd:downward_monotone

H: Tom couldn't find a job near his house.

TEST RESULT:

NOTE: job near his house ≤ job

pairID 2214 | gold: entailment | genre: crowd:downward_monotone:lexical_knowledge

H: Tom couldn't find a work.

TEST RESULT:

NOTE: job ≤ work I think!

pairID 2215 | gold: entailment | genre: crowd:downward_monotone

H: Tom couldn't find a great job.

TEST RESULT:

NOTE: great job ≤ job

[333] Tom couldn't say a word.

genre: crowd:downward_monotone | pairs: 1 | mode: switch

cards: Tom NP | could (S\NP)/(S\NP) | not NEG | say (S\NP)/NP | a NP/N | word N

polarity: Tom= could↑ not↑ say↓ a↓ word↓

flags: -

pairID 1550 | gold: entailment | genre: crowd:downward_monotone

H: Tom couldn't say a new word.

TEST RESULT:

NOTE: a new word ≤ a word

[334] Tom didn't have a gun.

`cards: Tom NP | did (S\NP)/(S\NP) | not NEG | have (S\NP)/NP | a NP/N | gun N`

polarity: Tom= did↑ not↑ have↓ a↓ gun↓

flags: -

pairID 2248 | gold: neutral | genre: crowd:downward_monotone:lexical_knowledge

H: Tom didn't have a weapon.

TEST RESULT:

NOTE: gun ≤ weapon

[335] Tom didn't have a weapon.

genre: crowd:downward_monotone | pairs: 2 | mode: default

`cards: Tom NP | did (S\NP)/(S\NP) | not NEG | have (S\NP)/NP | a NP/N | weapon N`

polarity: Tom= did↑ not↑ have↓ a↓ weapon↓

flags: -

pairID 2245 | gold: entailment | genre: crowd:downward_monotone

H: Tom didn't have a long range weapon.

TEST RESULT:

NOTE: long range weapon ≤ weapon

pairID 2247 | gold: entailment | genre: crowd:downward_monotone:lexical_knowledge

H: Tom didn't have a gun.

TEST RESULT:

NOTE: gun ≤ weapon

[336] Tom doesn't have a basement.

genre: crowd:downward_monotone | pairs: 1 | mode: default

`cards: Tom NP | does (S\NP)/(S\NP) | not NEG | have (S\NP)/NP | a NP/N | basement N`

polarity: Tom= does↑ not↑ have↓ a↓ basement↓

flags: -

pairID 3695 | gold: entailment | genre: crowd:downward_monotone

H: Tom doesn't have a nice basement.

TEST RESULT:

NOTE: nice basement ≤ basement

[337] Tom doesn't have a home.

genre: crowd:downward_monotone | pairs: 2 | mode: default

cards: Tom NP | does (S\NP)/(S\NP) | not NEG | have (S\NP)/NP | a NP/N | home N

polarity: Tom= does↑ not↑ have↓ a↓ home↓

flags: -

pairID 3751 | gold: entailment | genre: crowd:downward_monotone

H: Tom doesn't have a very cute home.

TEST RESULT:

NOTE: very cute home ≤ home

pairID 3753 | gold: entailment | genre: crowd:downward_monotone:lexical_knowledge

H: Tom doesn't have a house.

TEST RESULT:

NOTE: house ≤ home

[338] Tom doesn't have a sister.

genre: crowd:downward_monotone | pairs: 3 | mode: default

cards: Tom NP | does (S\NP)/(S\NP) | not NEG | have (S\NP)/NP | a NP/N | sister N

polarity: Tom= does↑ not↑ have↓ a↓ sister↓

flags: -

pairID 1345 | gold: entailment | genre: crowd:downward_monotone

H: Tom doesn't have a sister who lives in New York.

TEST RESULT:

NOTE: a sister who lives in New York ≤ a sister

pairID 1347 | gold: entailment | genre: crowd:downward_monotone

H: Tom doesn't have a beautiful sister.

TEST RESULT:

NOTE: a beatiful sister ≤ a sister

pairID 1349 | gold: entailment | genre: crowd:downward_monotone

H: Tom doesn't have a beautiful sister with red hair.

TEST RESULT:

NOTE: a beatiful sister with red hair ≤ a sister

[339] Tom doesn't have an alibi.

genre: crowd:downward_monotone | pairs: 3 | mode: default

cards: Tom NP | does (S\NP)/(S\NP) | not NEG | have (S\NP)/NP | an NP/N | alibi N

polarity: Tom= does↑ not↑ have↓ an↓ alibi↓

flags: -

pairID 3198 | gold: entailment | genre: crowd:downward_monotone

H: Tom doesn't have an alibi for last night.

TEST RESULT:

NOTE: an alibi for last night ≤ an alibi

pairID 3200 | gold: entailment | genre: crowd:downward_monotone

H: Tom doesn't have an alibi for himself.

TEST RESULT:

NOTE: an alibi for himself ≤ an alibi

pairID 3201 | gold: entailment | genre: crowd:downward_monotone

H: Tom doesn't have an acceptable alibi.

TEST RESULT:

NOTE: an acceptable alibi ≤ an alibi

[340] Tom doesn't live in Boston.

genre: crowd:downward_monotone | pairs: 1 | mode: switch

cards: Tom NP | does (S\NP)/(S\NP) | not NEG | live S\NP | in ((S\NP)\(S\NP))/NP | Boston NP

polarity: We= do↑ not↑ have↓ many↓ secrets=

flags: -

pairID 2147 | gold: neutral | genre: crowd:downward_monotone

H: We don't have secrets.

TEST RESULT: ✓

NOTE: many secrets ≤ secrets

[351] We don't make many mistakes.

genre: crowd:downward_monotone | pairs: 1 | mode: default

cards: We NP | do (S\NP)/(S\NP) | not NEG | make (S\NP)/NP | many NP/N | mistakes N

polarity: We= do↑ not↑ make↓ many↓ mistakes=

flags: -

pairID 1847 | gold: neutral | genre: crowd:downward_monotone

H: We don't make mistakes.

TEST RESULT:

NOTE: many mistakes ≤ mistakes

[352] You can not tame a wolf.

genre: crowd:downward_monotone | pairs: 1 | mode: default

cards: You NP | can (S\NP)/(S\NP) | not NEG | tame (S\NP)/NP | a NP/N | wolf N

polarity: You= can↑ not↑ tame↓ a↓ wolf↓

flags: -

pairID 2777 | gold: entailment | genre: crowd:downward_monotone

H: You can not tame a wild wolf.

TEST RESULT:

NOTE: wild wolf ≤ wolf

[353] A doe is a female white deer.

genre: crowd:upward_monotone | pairs: 1 | mode: switch

cards: A NP/N | doe N | is (S\NP)/NP | a NP/N | female N/N | white N/N | deer N

polarity: A↑ doe↑ is↑ a↑ female↑ white↑ deer↑

flags: GENERIC-A?

pairID 441 | gold: entailment | genre: crowd:upward_monotone

H: A doe is a female deer.

TEST RESULT:

NOTE: white deer ≤ deer

[354] A dolphin and whale is a mammal.

genre: crowd:upward_monotone:conjunction | pairs: 1 | mode: switch

cards: A NP/N | dolphin N | and CONJ | whale N | is (S\NP)/NP | a NP/N | mammal N

polarity: A↑ dolphin↑ and↑ whale↑ is↑ a↑ mammal↑

flags: GENERIC-A?

pairID 1171 | gold: entailment | genre: crowd:upward_monotone:conjunction

H: A dolphin is a mammal.

TEST RESULT:

NOTE: a dolphin and whale ≤ a dolphin

[355] A lot of boys are running in the park.

genre: crowd:upward_monotone | pairs: 1 | mode: switch

cards: a lot of NP/N | boys N | are (S\NP)/(S[ng]\NP) | running S[ng]\NP | in ((S\NP)\(S\NP))/NP | the NP/N | park N

polarity: a lot of↑ boys↑ are↑ running↑ in↑ the↑ park=

flags: -

pairID 1247 | gold: neutral | genre: crowd:upward_monotone

H: A lot of school boys are running in the park.

TEST RESULT:

NOTE: school boys ≤ boys

[356] A lot of insects are chirping in the field.

genre: crowd:upward_monotone | pairs: 1 | mode: switch

cards: a lot of NP/N | insects N | are (S\NP)/(S[ng]\NP) | chirping S[ng]\NP | in ((S\NP)\(S\NP))/NP | the NP/N | field N

polarity: a lot of↑ insects↑ are↑ chirping↑ in↑ the↑ field=

flags: -

pairID 977 | gold: neutral | genre: crowd:upward_monotone

H: A lot of annoying insects are chirping in the field.

TEST RESULT:

NOTE: annoying insects ≤ insects

[357] A photograph can't explain the reasons.

genre: crowd:upward_monotone | pairs: 1 | mode: default

`cards: A NP/N | photograph N | can (S\NP)/(S\NP) | not NEG | explain (S\NP)/NP | the NP/N | reasons N`

polarity: A↑ photograph↑ can↑ not↑ explain↓ the↓ reasons=

flags: GENERIC-A?

pairID 285 | gold: neutral | genre: crowd:upward_monotone

H: A photograph brightness can't explain the reasons.

TEST RESULT:

NOTE: photograph brightness ⊈ ⊉ photograph

[358] A poisoned cherry may kill a duke.

genre: crowd:upward_monotone:lexical_knowledge | pairs: 2 | mode: switch

`cards: A NP/N | poisoned N/N | cherry N | may (S\NP)/(S\NP) | kill (S\NP)/NP | a NP/N | duke N`

polarity: A↑ poisoned↑ cherry↑ may↑ kill↑ a↑ duke↑

flags: GENERIC-A?

pairID 451 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: A poisoned pitted fruit may kill a duke.

TEST RESULT:

NOTE: pitted fruit ⊈ ⊉ cherry

pairID 452 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: A poisoned small round fruit may kill a duke.

TEST RESULT:

NOTE: small round fruit ⊈ ⊉ cherry

[359] Every man can't be an artist.

genre: crowd:downward_monotone | pairs: 1 | mode: switch

`cards: Every NP/N | man N | can (S\NP)/(S\NP) | not NEG | be (S\NP)/NP | an NP/N | artist N`

polarity: Every↑ man↓ can↑ not↑ be↓ an↓ artist↓

flags: -

pairID 3776 | gold: entailment | genre: crowd:downward_monotone

H: Every single man can't be an artist.

TEST RESULT:

NOTE: single man ≤ man

[360] He can't have told a lie.

genre: crowd:downward_monotone | pairs: 2 | mode: switch

cards: He NP | can (S\NP)/(S\NP) | not NEG | have (S\NP)/(S\NP) | told (S\NP)/NP | a NP/N | lie N

polarity: He= can↑ not↑ have↓ told↓ a↓ lie↓

flags: -

pairID 3830 | gold: entailment | genre: crowd:downward_monotone

H: He can't have told a falsehood.

TEST RESULT:

NOTE: Falsehood ≡ lie

pairID 3831 | gold: entailment | genre: crowd:downward_monotone:npi

H: He can't have told a lie in any way.

TEST RESULT:

NOTE: a lie in any way ≤ a lie

[361] He expressed his opinion in a few words.

genre: crowd:upward_monotone:lexical_knowledge | pairs: 1 | mode: default

cards: He NP | expressed (S\NP)/NP | his NP/N | opinion N | in (N\N)/NP | a few NP/N | words N

polarity: He= expressed↑ his↑ opinion= in= a few= words=

flags: -

pairID 168 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: He expressed his opinion in a few paragraphs.

TEST RESULT:

NOTE: his opinion in a few paragraphs ≤ his opinion in a few words

[362] He makes no disguise of his feelings.

genre: crowd:downward_monotone:npi | pairs: 3 | mode: default

cards: He NP | makes (S\NP)/NP | no NP/N | disguise N | of (N\N)/NP | his NP/N | feelings N

polarity: He= makes↓ no↑ disguise↓ of↓ his↓ feelings=

flags: -

pairID 1813 | gold: entailment | genre: crowd:downward_monotone:npi

H: He makes no disguise at all of his feelings.

TEST RESULT:

NOTE: disguise at all ≤ disguise

pairID 1814 | gold: entailment | genre: crowd:downward_monotone

H: He makes no big disguise of his feelings.

TEST RESULT:

NOTE: big disguise ≤ disguise

pairID 1816 | gold: entailment | genre: crowd:downward_monotone

H: He makes no small disguise of his feelings.

TEST RESULT:

NOTE: small disguise ≤ disguise

[363] He wiped his hands on a handkerchief.

genre: crowd:upward_monotone | pairs: 1 | mode: switch

`cards: He NP | wiped (S\NP)/NP | his NP/N | hands N | on (N\N)/NP | a NP/N | handkerchief N`

polarity: He= wiped↑ his↑ hands= on= a= handkerchief=

alt-readings: cards: He NP | wiped (S\NP)/NP | his NP/N | hands N | on ((S\NP)\(S\NP))/NP | a NP/N | handkerchief N

NOTE: the core of a sore apple ≤ the core of an apple

[422] I don't have a care in the world.

genre: crowd:downward_monotone | pairs: 1 | mode: default

`cards: I NP | do (S\NP)/(S\NP) | not NEG | have (S\NP)/NP | a NP/N | care N | in (N\N)/NP | the NP/N | world N`

polarity: I= do↑ not↑ have↓ a↓ care↓ in↓ the↓ world=

flags: -

pairID 1540 | gold: entailment | genre: crowd:downward_monotone

H: I don't have a personal care in the world.

TEST RESULT: ✓

NOTE: a personal care ≤ a care

[423] I have never seen a giraffe in a zoo.

genre: crowd:downward_monotone | pairs: 1 | mode: switch

cards: I NP | have (S\NP)/(S\NP) | never (S\NP)/(S\NP) | seen (S\NP)/NP | a NP/N | giraffe N | in (N\N)/NP | a NP/N | zoo N

polarity: I= have↑ never↑ seen↓ a↓ giraffe↓ in↓ a↓ zoo↓

alt-readings: cards: I NP | have (S\NP)/(S\NP) | never (S\NP)/(S\NP) | seen (S\NP)/NP | a NP/N | giraffe N | in ((S\NP)\(S\NP))/NP | a NP/N | zoo N

polarity: 1) I= have↑ never↑ seen↓ a↓ giraffe↓ in↓ a↓ zoo↓ || 2) I= have↑ never↑ seen↓ a↓ giraffe↓ in↑ a↑ zoo↑

flags: MULTI-COMBO

pairID 3534 | gold: neutral | genre: crowd:downward_monotone

H: I have never seen a giraffe.

TEST RESULT:

NOTE: a giraffe in a zoo ≤ a giraffe

[424] I know you and Tom have had some problems.

genre: crowd:upward_monotone:lexical_knowledge | pairs: 2 | mode: switch

cards: I NP | know (S\NP)/NP | you NP | and CONJ | Tom NP | have (S\NP)/(S\NP) | had (S\NP)/NP | some NP/N | problems N

polarity: I= know↑ you= and↑ Tom= have↑ had↑ some↑ problems↑

flags: -

pairID 733 | gold: neutral | genre: crowd:upward_monotone:lexical_knowledge

H: I know you and Tom have had some emotions.

TEST RESULT:

NOTE: problems ∦ emotions

pairID 734 | gold: neutral | genre: crowd:upward_monotone:conjunction

H: I know you and Tom have had some problems and fights.

TEST RESULT:

NOTE: problems and fights ≤ problems

[425] I received a telegram and a gift from her.

genre: crowd:upward_monotone:conjunction | pairs: 1 | mode: default

cards: I NP | received (S\NP)/NP | a NP/N | telegram N | and CONJ | a NP/N | gift N | from (N\N)/NP | her NP

polarity: I= received↑ a↑ telegram↑ and↑ a↑ gift↑ from↑ her=

flags: -

pairID 843 | gold: entailment | genre: crowd:upward_monotone:conjunction

H: I received a telegram from her.

TEST RESULT: ✓

NOTE: a telegram and a gift ≤ a gift

[426] I will never write and speak again in English.

genre: crowd:downward_monotone:conjunction | pairs: 1 | mode: switch

cards: I NP | will (S\NP)/(S\NP) | never (S\NP)/(S\NP) | write S\NP | and CONJ | speak S\NP | again (S\NP)\(S\NP) | in ((S\NP)\(S\NP))/NP | English NP

polarity 1: I= will↑ never↑ write↓ and↓ speak↓ again↓ in↓ English=

polarity 2: I= will↑ never↑ write↓ and↓ speak↓ again↓ in↑ English=

polarity 3: I= will↑ never↑ write↓ and↑ speak↑ again↑ in↑ English= → This would give entailment, but might not be the right reading

polarity 4: I= will↑ never↑ write↓ and↓ speak↓ again↑ in↑ English=

flags: MULTI-READING

pairID 2880 | gold: entailment | genre: crowd:downward_monotone:conjunction

H: I will never write again in English.

TEST RESULT: ✗

NOTE: write and speak ≤ write

It seems gold assumes this a "I'll never write again in English and I'll never speak again in English" but this is more close to "I'll never (write or speak) again in English"

[427] John and fred don't play in a band.

genre: crowd:downward_monotone | pairs: 3 | mode: switch

cards: John NP | and CONJ | fred NP | do (S\NP)/(S\NP) | not NEG | play S\NP | in ((S\NP)\(S\NP))/NP | a NP/N | band N

polarity 1: John= and↑ fred= do↑ not↑ play↓ in↓ a↓ band↓

polarity 2: John= and↑ fred= do↑ not↑ play↓ in↑ a↑ band↑

flags: MULTI-READING

wrong reading

pairID 2093 | gold: entailment | genre: crowd:downward_monotone

H: John and fred don't play in a musical band.

TEST RESULT:

NOTE: musical band ≤ band

pairID 3651 | gold: entailment | genre: crowd:downward_monotone

H: John and fred don't play in a jazz band.

TEST RESULT:

NOTE: jazz band ≤ band

pairID 3653 | gold: entailment | genre: crowd:downward_monotone

H: John and fred don't play in a rock band.

TEST RESULT:

NOTE: rock band ≤ band

[428] No red stars could be seen in the sky.

genre: crowd:downward_monotone | pairs: 1 | mode: switch

cards: No NP/N | red N/N | stars N | could (S\NP)/(S\NP) | be (S\NP)/(S[pss]\NP) | seen S[pss]\NP | in ((S\NP)\(S\NP))/NP | the NP/N | sky N

polarity: No↑ red↓ stars↓ could↓ be↓ seen↓ in↓ the↓ sky=

flags: -

pairID 2080 | gold: neutral | genre: crowd:downward_monotone

H: No stars could be seen in the sky.

TEST RESULT:

NOTE: red stars ≤ stars

[429] Tom couldn't find a job near his house.

genre: crowd:downward_monotone | pairs: 1 | mode: default

cards: Tom NP | could (S\NP)/(S\NP) | not NEG | find (S\NP)/NP | a NP/N | job N | near (N\N)/NP | his NP/N | house N

polarity: Tom= could↑ not↑ find↓ a↓ job↓ near↓ his↓ house=

flags: -

pairID 2213 | gold: neutral | genre: crowd:downward_monotone

H: Tom couldn't find a job.

TEST RESULT:

NOTE: find a job near his house ≤ find a job

[430] Tom couldn't find a job that he loves.

genre: crowd:downward_monotone | pairs: 1 | mode: switch

cards: Tom NP | could (S\NP)/(S\NP) | not NEG | find (S\NP)/NP | a NP/N | job N | that (N\N)/(S/NP) | he NP | loves (S\NP)/NP

polarity: Tom= could↑ not↑ find↓ a↓ job↓ that↓ he= loves↓

flags: -

pairID 2211 | gold: neutral | genre: crowd:downward_monotone

H: Tom couldn't find a job.

TEST RESULT:

NOTE: find a job that he loves ≤ find a job

[431] We don't have a garden in my house.

genre: crowd:downward_monotone | pairs: 1 | mode: default

cards: We NP | do (S\NP)/(S\NP) | not NEG | have (S\NP)/NP | a NP/N | garden N | in (N\N)/NP | my NP/N | house N

polarity: We= do↑ not↑ have↓ a↓ garden↓ in↓ my↓ house=

flags: -

pairID 3728 | gold: neutral | genre: crowd:downward_monotone

H: We don't have a garden.

TEST RESULT:

NOTE: have a garden in my house ≤ have a garden

[432] We stood on the brink of a red cliff.

genre: crowd:upward_monotone | pairs: 1 | mode: switch

cards: We NP | stood S\NP | on ((S\NP)\(S\NP))/NP | the NP/N | brink N | of (N\N)/NP | a NP/N | red N/N | cliff N

polarity: We= stood↑ on↑ the↑ brink= of= a= red= cliff=

flags: -

pairID 405 | gold: entailment | genre: crowd:upward_monotone

H: We stood on the brink of a cliff.

TEST RESULT: ✓ as PP

NOTE: the brink of a red cliff ≤ the brink of a cliff

[433] You can't say that word in my country!

genre: crowd:downward_monotone | pairs: 2 | mode: switch

cards: You NP | can (S\NP)/(S\NP) | not NEG | say (S\NP)/NP | that NP/N | word N | in (N\N)/NP | my NP/N | country N
